Assessors Hike GC, Nameoek Valuations

By HARRY BARNES
Press-Record Staff Writer

A new 1971 property assessment of \$189,522,550 — an increase of \$1,688,270 over last year's local valuations — has been extended for Granite City Township by the office of

James Barton, township assessor. The new assessment, which still is subject to change by the Madison County Board of Revenue, will form the basis for extension of tax bill to be collected next summer.

At the same time, new personal property and real estate assessments certified to the supervisor of assessments by Joseph Cohan, assessor of Nameoek township, were set at \$40,151,600, up \$3,763,150 over the 1970 values, while declines

are shown for assessments of both Venice and Chouteau townships. A substantial cut of \$1,655,985 resulted in the new local valuation of Venice township, extended at \$38,684,265 by Town Assessor John Bridick. The as-

essed valuation of Venice township has dropped consistently during the past five years. For the 1969 year the Venice assessment was \$52,219,980.

Chouteau Values Down

The 1971 valuation on local property in Chouteau Township has been set at \$25,708,300, a decrease of \$451,890 below the 1970 assessment, according to figures certified by Town Assessor O. R. Reeves. The valuations extended by township assessors do not include railroad assessments which are set by the Illinois State Department of Revenue. Railroad valuations usually are certified to the county clerk about mid-January.

Last year's rail assessments for Granite City township totaled \$1,403,672, which brought to \$189,726,352 the total valuation upon which tax bills were extended for collection this year.

If local valuations for Granite City do not undergo any extensive changes by the review board, railroad values should bring the township's total assessment for the 1971 year to approximately \$171,400,000. The increase in the Granite City assessments was made in the quadrennial assessment of real estate in which real estate on the lot books was assessed at \$83,423,420.

Approximately half of the total valuation increase in Granite City township was made in assessments on personal property. Barton certified a total of \$71,383,610 in personal property values after conducting a minute property that had been eliminated earlier by a constitutional amendment. The amendment was held unconstitutional by the Illinois Supreme Court, requiring town assessors to put the property back on the books.

Realty Values Rises

The quadrennial assessment of real estate in Granite City township this year also resulted in an increase in assessment of properties in the lot books, set at a total of \$83,423,420, compared with \$82,351,470 last year. This year of \$1,071,950 was offset, substantially, however, by a drop in the valuation of lands. That assessment for 1971 totals \$15,088,220, down from last year's \$15,999,830.

In Granite City's personal property category, the assessments on autos was extended last year to \$15,999,830.

County Board to Act On \$10½ Million Budget

A Madison County budget for a record total of \$10,575,990 will be presented to the Madison County Board of Supervisors at its meeting Wednesday morning for the fiscal year beginning Dec. 1.

It is \$3,196,000 higher than the \$7,380,000 budget approved by the board a year ago. The increase represents a 5% salary increase for all county employees, a \$211,000 item to pay township tax collectors if they are permitted by a proposed law to serve as deputy county collectors, \$225,000 for a voting machine storage building, \$312,200 to conduct four elections, \$322,420 for final payment of the voting machine and \$50,925 to begin a data processing system for county offices.

News Notes

U.S. Board to Act Tuesday On Back Pay

The 15-member government Pay Board will meet in Washington Tuesday to consider policy in handling retroactive pay of employee groups — including teachers as well as President Nixon's economic controls officially go into effect.

The wage and price freeze announced Aug. 14 ended on schedule yesterday, allowing deferred pay raises to become effective for millions of workers throughout the country and implementing rules limiting wage increases generally to 5.5% per year and holding price rises to 2.5% per year.

Exemptions from post-freeze wage controls were announced Friday by the Cost of Living Council for servicemen, federal employees and the working poor. The whole question of teachers' salaries, some board members said that while most retroactive pay boosts are barred, the board may find that teachers should be exempted.

The annual Salvation Army "Tree of Lights" campaign will be launched at a kickoff brunch at 10 a.m. Saturday at the YMCA.

Proceeds of the drive, which is headed this year by Robert J. Schuessler, plant manager of the Granite City, Inc. in Granite City will finance holiday food baskets for the needy, toys for the children, dinners for the elderly and Christmas visits and entertainment at hospitals and other institutions.

John Henry Alterfor, a Pechon industrialist, has been chosen as manager of President Richard M. Nixon's re-election campaign in Illinois next year. Alterfor was unsuccessful in a bid for the Republican nomination for governor in 1968.

Alterfor will be responsible for the campaign in downstate counties while Thomas E. House, a former member of the Federal Communications Commission will be in charge of the Cook County Campaign.

Three Illinois state officials will appear at a public meeting Wednesday at 8 p.m. under the sponsorship of the Republican Women's Service League.

They are: Sen. George McGovern, D-South Dakota, for president, opened in this area Friday at a campaign breakfast attended by local political leaders. Frank Mankiewicz, political director of the campaign, right, was

the main speaker, mustering support for Senator McGovern's table were, at left, Mayor John E. Lee of Venice; John Bellcote, Madison city clerk (behind Lee); and Richard Allen, Granite City attorney at the end of the table.

Don't Want Conflict
"I want to be sure we are not conflicting with state statutes," Rochester said.

The board agreed to request the village attorney, William Schindler, to review the intent of the resolution and, if he finds the action legal, prepare an ordinance that would enforce the resolution. Provisions of an ordinance can be enforced while those of a resolution.

Independents to File in County Board Race Without Primary Bid

Forty-seven Democratic and 14 Republican candidates remained in the Feb. 8 primary election race for Madison County Board posts today after only two candidates—both Democrats withdrew their nominating petitions before the withdrawal deadline at noon Saturday.

The partisan primary election lineup leaves 19 contests for the 20 county board memberships on the Democratic ballot, and only three contests among the scattering of Republican hopefuls. Two of the 39 new county board districts are without Democratic candidates. The Republicans have 18 districts in which there are no candidates.

Withdrawing from the Democratic primary Saturday morning were Lee J. Spudis of Livingston, one of three Democratic candidates seeking nomination in District 3 (rural area) and John W. Boren of Wood River, an incumbent board member who is reported planning to file later as an independent.

An additional filing period for independent candidates who will not have to run in the primary but only in the April 4 election — had been scheduled today by County Clerk Eubank Hotz under a legal opinion by State's Attorney R. W. Griffith who ruled that petitions of independent candidates must be signed by not less than 5%, nor more than 8%, of the number of persons who voted in the general election in November, 1970, in the respective district from which a candidate seeks election.

Independent Filing Period
Miss Hotz announced the new filing period will open Dec. 27 and continue through Jan. 3.

Miss Hotz pointed out that under Griffith's opinion, persons who sign petitions for independent candidates to run in the Feb. 8 partisan primary. Griffith held that it also is permissible for persons who had filed as Democrat or Republican candidates to withdraw and file later as an independent.

He stressed that persons who previously had signed petitions for Democrat or Republican candidates should not file as independent candidates.

The possibility that primaries may be eliminated in districts where there is only one Democrat, and one Republican candidate is being considered, Miss Hotz said, although there is some question as to the legality of eliminating primaries in districts where only one candidate filed as Democrat or Republican.

Spudis' withdrawal in District 3 reduced the Democratic contest there to H. Jack Hradec of Alhambra, and David Gaspar of Livingston, in a bid for the post now held by County Board Chairman Harold Landolt of Alhambra. On the Republican side, the candidates for

Landolt's post is Roy E. Halbe, an incumbent of Hamel. Landolt did not file.

Incumbent Opposed
Two of the Democratic contests are in Granite City where incumbent board members are being opposed each other. One of these is in District 19 where incumbent Assistant Supervisors William Webb and Ford Johnson are both seeking the Democratic nomination. The other is District 21 in which Carl H. Roach and Carl V. Buchler, both incumbent assistant supervisors, are bidding for the Democratic nomination. There are no Republican candidates in either of these districts.

Granite City Supervisor Nelson Hugnauer is unopposed by these districts.

Former GC Girl, 18, Dies In Crash; Two Injured

An 18-year-old former Granite City girl was injured fatally and two other young women were hurt seriously in a one-car crash at 10:50 p.m. Saturday on Troy Road at Interstate 270, north of Maryville.

Miss Bonnie Kay DeGonia, 18, of Rural Route Two, Maryville, formerly of Granite City, died at 7:45 p.m. Sunday at St. Joseph's Hospital in Highland. Injuries suffered in the accident 21 hours earlier.

She was a passenger in an auto driven by Miss Bonnie S. Polacek, 21, of Rural Route Two, Collinsville, who was admitted in serious condition at St. Joseph's Hospital.

Passenger, Miss Susan Marie Smith, 16, of Cahokia was admitted in fair condition. Both Miss Polacek and Miss Smith were reported improving today.

Precise details of the accident still have not been determined by Illinois State Police who said the car apparently left Troy Road on a curve, traveled 83 yards before striking a utility pole, then went an additional 50 yards, hitting a bridge support under I-270.

Born in St. Louis, Miss DeGonia had resided in Granite City prior to moving with her parents to Maryville six years ago. She was a member of Our Mother of Perpetual Help Catholic Church in Maryville.

She is survived by her parents, Mr. and Mrs. Henry J. DeGonia of Maryville; five brothers, Mrs. Roger (Norma) Leeder of Alton, Mo., Mrs. James (Betty) LaDuck of Granite City, Mrs. Clifford (Carol) Young of Paris, Ill., and Misses Mary and Donna DeGonia, at home; two brothers, Harry DeGonia of Arnold, Mo., and Donald DeGonia of

STEEL FROM GRANITE CITY is to be shipped in these National Steel Corp. high-capacity railroad cars, which have been especially designed for large-volume, inter-plant movement of hot-rolled coils and scrap. The 80-inch hot strip mill at Granite City Steel Co. will supply semi-finished steel for processing at Midwest Steel, Portage, Ind., as well as continuing to provide steel for markets in this region.

Use High-Capacity Cars To Ship National Steel

National Steel Corp. announced today the purchase of a fleet of 100 large new gondola cars to move hot rolled coils and scrap between its midwestern steel plants, including Granite City Steel Co. in the St. Louis area.

About 75 of the specially designed cars, believed to be the first of their kind in the steel industry for mainline service, are already in use. George A. Stinson, president of National Steel, said, "We believe we have a new way to move steel. Since we made the investment in these cars, we have obtained rates which reflect this cost saving."

"But we see benefits well beyond that. They loan all the

more attractive as a result of Midwest Steel's having raised its shipping capability by 60% last year. Hence, the operating savings—over and above the reduced cost of supplying it with raw material from two sister plants—will apply to a significantly larger volume."

"The flexibility of owning our own cars is doubly important now that we have a second source of hot band supply in the 80-inch hot strip mill at Granite City. At the time of the merger of National Steel with Granite City earlier this year, it was stated that National would use Granite City's 80-inch mill to produce hot rolled steel bands for further processing at National's Midwest Steel Division as well as to produce steel for Granite City's markets."

Midwest Steel's plant in Portage, Ind., near Chicago, has the facilities used to produce hot rolled coils or "bands" into cold rolled sheet, tin plate and galvanized sheet products.

For In-Plant Use
The new gondolas, manufactured by the Thrall Car Manufacturing Co., Chicago Heights, are designed for 120-ton loading for mainline service and 200-ton for in-plant use. Railroad-owned equipment varies from 70 to 120-ton loads in single-purpose cars.

"As well as the advantage of more-ton-per-car, we are assured of a distinctly more stable supply of cars," said H. M. Love, president of National Steel's Midwest Division. "This gives us cost-cutting flexibility independent of the seasonal demands of other shippers."

Mr. Stinson pointed out that the 100-car fleet "will assure us instant availability of transport for changed supply conditions. It is not limited to carrying coils. It can, for example, move excess slabs from one steel-making plant to available hot-rolling capacity at another."

"If need be, these cars can backhaul scrap or other raw materials to help maintain level

H & H Liquor Store Robbed of \$400 Cash

The H & H Liquor Store, Pershing Avenue and Naveau Road, was robbed of \$400 cash at 8:30 p.m. Saturday by a man who walked into the store and demanded the money from Al Stark, night clerk, according to a report to police.

Stark told officers that the robber did not display a gun at first, but pulled a gun after Stark fired two shots at him as he was leaving the store. The robber did not return Stark's fire, police said.

Parked Car Struck

Raymond L. Romine III, 2832 Wayne Ave., reported Friday that a vehicle backed into his parked auto in the 1900 block of Delmar Avenue.

McGovern Presidential Drive Moves into Area

The 1972 Presidential campaign moved into the Quad-City area Friday morning as Frank Mankiewicz, political director of the presidential campaign of Senator George McGovern, D-South Dakota, spoke to a gathering of area political leaders and newsmen at the Holiday Inn at Sunset Hill.

Among those present at a campaign breakfast were John E. Lee of Venice; John Bellcote, Madison city clerk; Von Dee Cruise, a member of the unseated East Side Levee and Sanitary District board; George Musso, Madison County treasurer; James Chapman, county recorder; John Kraynak, county auditor; Richard Allen, Granite City attorney; and John Paul Davis, assistant chancellor of Southern Illinois University-Southwestern.

Mankiewicz best is known as press secretary for Robert Kennedy from 1966 until Kennedy's assassination in 1968. Prior to serving in that position, he was

Latin American Regional Director of the Peace Corps in Lima, Peru, for President John F. Kennedy.

Since 1968, he has been a syndicated columnist and television commentator and has continued active in politics.

Favors Peace Platform
Mankiewicz told the group that Senator McGovern will run on a peace and reconstruction platform.

"In Senator McGovern's mind, there is only one problem in the country today, the war, and all other problems stem from it." He said the government presently is spending \$70 billion per year on the war, or approximately \$2 of every \$3 in government funds.

He said McGovern feels that unemployment, housing, inflation, a negative trade balance and the welfare crisis all are symptoms of our government "fighting a war we did not

Final Audition Call For 'Anything Goes'

The East Bank Players, the Quad-Cities Community Theatre group, has scheduled the final night of auditions for their next production, at 7:30 p.m. Wednesday in the Polish Hall, Madison.

The players have selected "Anything Goes," the long run Cole Porter musical, as the opening production of the third season.

Featuring such popular songs as "I Get a Kick Out of You," "It's DeLovely," and "Friendship," the musical offers parts for 10 women and 10 men, plus dancing and singing choruses. There are three major leading roles for women and three for men, plus minor character parts for ages teens through senior citizens.

Directors are Ann Scott and Milji Hoelscher. Mrs. Hoelscher has directed earlier East Bank Players productions. "Anything Goes" will be Mrs. Scott's first directing responsibility in local community theatre. She formerly was active as both a director and actress with the Cheyenne (Wyo.) Theatre group and with Melodrama in that city's Frontier Days Celebration.

Both directors are encouraging prospective members to attend Wednesday's final audition night, together with area residents without experience who are interested in learning more about community theatre.

Additional information is available from Henry Lamb Players' president, or Stanley Coleman, vice president.

State, Local Tax Boosts Offset Federal Trend

By RAY McHUGH
Chief, Washington Bureau
Copley News Service

Washington — Any downward trend in federal taxes under President Nixon's new economic policy is being offset by record increases in state and local levies.

State-local tax collections jumped 7% in fiscal 1971 to a record \$24.3 billion—the first time they passed the \$20 billion mark.

State legislatures have increased or enacted more than 60 new tax laws this year, says the Tax Foundation in a special survey. The estimated revenue increase is another \$3.3 billion.

Tax increase proposals that could add \$16 billion to the bill are still pending in Ohio, Minnesota and Wisconsin.

Passage of Ohio, Minnesota, and Wisconsin bills would push the fiscal 1972 state tax increase over the \$5 billion mark for the first time in history. The previous high was \$4 billion in new taxes in 1969.

State Income Tax Up
State personal income tax collections in fiscal 1970 totaled \$9.2 billion, more than four times the \$2.2 billion collected in 1960. State sales taxes netted \$14.1 billion. In 1960, they totaled \$1.7 billion.

Another \$3.5 billion was collected in local sales taxes.

The impact of the new taxes may offset part of the economic stimulus. President Nixon is seeking through repeal of the automobile excise tax, increase of business investment incentives and advancement of federal income tax exemption increases.

But despite the state tax increases, Tax Foundation researchers detect a growing resistance to new levies and an increasing reliance on state income taxes as a major source of revenue—almost 20% last year.

Maine voters are expected to repeal their state income tax in November.

The New York state Legislature approved only about half of a \$1.1 billion tax package proposed by Gov. Nelson Rockefeller. Budget reductions, particularly in welfare, are widespread across the country.

At Record Levels
Connecticut has raised sales, gasoline and cigarette taxes to record U. S. levels. The sales levy is 6.5%; cigarette 21 cents, gasoline 10 cents.

Pennsylvania has enacted a flat 2.3% income levy that will net an estimated \$995 million. Michigan income tax increases will bring in \$300 million. Massachusetts scaled down the governor's \$311 million tax proposal, but still voted a \$187 million package.

Tennessee expects \$85 million from higher sales, excise and inheritance taxes. A wide range of Texas increases will raise \$287 million.

Rhode Island has enacted a personal income tax that amounts to about 19% of fed-

eral payments and will net an estimated \$100 million.

Missouri has adjusted its income tax rates. They now scale from 1.5% on the income up to \$1,000 to 6% on income over \$9,000.

Montana is asking voters to approve a sales tax in November. Florida will vote on a corporation income tax.

Eight state legislatures voted increases this year in corporation taxes, with Delaware taking the lead with 20% surcharge. Cigarette taxes were raised in 17 states, motor fuel tax in 10 and liquor taxes in eight.

State motor vehicle operators' license revenue rose 7.5% in fiscal 1971 to \$3.26 billion. Motor fuel sales taxes netted \$6.6 billion.

Property taxes, most of which go to local government, rose 1.1% to \$38.26 billion.

A major readjustment in these taxes may be in the offing in light of a California Supreme Court ruling that local school districts' dependence on property taxes is resulting in educational opportunity from school district to school district.

President Nixon's revenue-charging proposals are looked to by some state and community groups for significant tax relief, but House Ways and Means Chairman Wilbur Mills, D-Ark., has indicated there is little likelihood of such legislation this year.

Joseph Petras, 65, Dies in Greenville

Joseph Petras, 65, a resident of the Fair Oaks section in Greenville, died at 4 a.m. yesterday at the nursing home.

Mr. Petras was born in New York and came here as an infant. He resided 55 years at 2030 Thirteenth St. before he became ill nine years ago. He was a patient at an Alton Hospital until five weeks ago when he moved to the nursing home.

He was employed by National Lead Co. approximately 12 years and retired in 1962.

Mr. Petras was of the Catholic faith.

He is survived by one son, Donald Petras of Denver, Colo.; two daughters, Mrs. Alvin (Mary) Kindall and Mrs. Gaylar (Peggy) Grindstaff of Granite City; three sisters, Mrs. John (Mary) Oldal of Madison, Mrs. William (Margaret) Lehnert of Glen Carbon and Mrs. Katherine Hlavsa of St. Louis, and six grandchildren.

Funeral arrangements may be found in today's obituary column.

Motorcyclist Hurt
Richard Gartland of Collinsville was taken to St. Elizabeth Hospital by ambulance at 10 a.m. Saturday for treatment of injuries sustained in a motorcycle accident. He suffered a puncture wound to the left leg. He was transferred to Jewish Hospital, St. Louis.

Press-Record's ... YULE MAIL CALL (Clip and Save)

Quad-city servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear.

Local residents are invited to include the servicemen on their Christmas mailing list and send greetings, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are away from their homes and families. Early mailing is recommended.

Service Couple in Germany; Brothers Overseas Listed

A service couple living in Germany and two brothers based overseas are among the servicemen and women included in today's "Yule Mail Call."

Army Sergeant and Mrs. Larry Bridges are residing near Idar Oberstein in Germany, where the former is stationed with the 39th Infantry. He is the son of Mr. and Mrs. Therman Bridges, 5 Harrison St.

Prior to entering the Army in July 1970, Sgt. Bridges was a machine operator at Kilark Co. He went to school in Park County, Ark., and St. Louis before moving to Granite City. He was assigned to Germany in January and was joined there by his wife, Carol, in July.

Brothers serving abroad who are listed today are Private First Class Nathan E. Johnson, 29, who is stationed on Okinawa and Private First Class Donald R. Johnson, 18, with the 3rd Infantry in Germany. They are the sons of Mrs. Mabel Johnson, 3702 Kirkpatrick Homes.

Local relatives, friends, church groups and service organizations still may submit names and addresses of Quad-city military personnel stationed at home or overseas in inclusion in the pre-Christmas project.

Those contributing a serviceman's name, rank, serial number and full address, are asked to identify themselves on a postal card, letter or slip of

paper which may be mailed or brought to the Press-Record office, 1815 Delmar Ave.

The APO and FPO numbers must be included, when applicable, to guarantee delivery. When the area of overseas service is noted by the sender, the information will appear in parenthesis after the mailing address.

Boxcars Burn 4 Hours
Two boxcars filled with baled paper and cardboard burned last night and early today in the Illinois Terminal Railroad yards in Eagle Park Acres. Volunteer firemen were called to the scene at 9:40 p.m. yesterday and fought the blaze until 1:50 a.m. today. No damage estimates have been made. Cause of the fire is unknown.

Portable TV Taken
A 12-inch portable television set was taken from the residence of Lucille Smith, 713 Jackson St., between 11 p.m. Friday and 3:45 a.m. Saturday, according to police. Entry was gained by removing a screen from a rear window.

Hit-and-Run Accident
The left side of the auto of Louise Dolores Shambro, 1627 Spruce St., parked on the A&P Store lot at 29th Street and Madison Avenue, was struck by a hit-and-run driver on Thursday.

Ralph Dean (Merchant) Wilson, 55, of Gulfport, Miss., a former 40-year resident of Madison, died at 8:30 p.m. Thursday in Memorial Hospital, Gulfport, of cancer. He had been ill two years and in the hospital one day.

Born in Halleysville, Okla., Mr. Wilson lived most of his life in Madison until one year ago when he moved to Mississippi.

He retired one year ago as a machinist for the Essmuelier Co., St. Louis.

The former Quad-city resident was a member of the Baptist Church in Washington Park.

Surviving are his wife, Mrs. L. A. Verne (Cresser) Wilson; three children at home, Lynn and Laura Wilson and Gary Wilson; four other daughters, Mrs. George (Yvonne) Collins of Gulfport; Mrs. Tom (Gloria) Davis of Granite City; Mrs. Clarence (Delores) Miller of Greenville, Ill.; Mrs. Clifford (Janice) Grayling, Carlyle, Ill.

He also leaves two other sons, Floyd and Paul Wilson, both of Granite City; four brothers, Alfred and Robert Wilson of Madison and William and James Merchant, both of Madison; two sisters, Mrs. Elvin (Tiney) Smith of Madison and Mrs. Frank (Christie) Lewis of Granite City; and 17 grandchildren.

Funeral services were held today. Details are given in the obituary column.

Water Meters Stolen
From 50 to 60 used water meters valued at \$2.50 each were stolen from the Sidener Supply Co., 1101 Nineteenth St. It was reported at 2:15 p.m. Thursday. Two men were seen crawling under the fence at about 6 a.m.

MORE ABOUT McGovern

McGovern wants to stop the war, not divide it down," he added. "The Senator feels the war could be halted in 24 hours without deserting those who have supported us."

"Unemployment is a symptom of the war because all of our large manufacturers are in the missile business and no one wants to buy our missiles."

Mankiewicz said Senator Adlai Stevenson III, D-Ill., may become a prime contender for vice-president. McGovern should be nominated in 1972. In another political forecast, Mankiewicz stated, "I do not think Senator Ted Kennedy will run in the primaries."

He said Kennedy and McGovern appeal to the same faction of voters and predicted most of the potential Kennedy votes will go to McGovern.

"The 18-year-old vote also will be a strong factor in this election and I think McGovern will get most of those votes," the campaigner commented.

He said Sen. McGovern will be in Illinois Tuesday, Nov. 30, and a tentative stop in East St. Louis is planned.

Two Passengers Hurt In Auto Accident

Two passengers complained of pains after an auto driven by Jack Blyue, 1114 Grand Ave., collided with another driven by Nelson D. Dunlap, 1859 Grand Ave., at 8:45 p.m. Thursday at 15th Street and Madison Avenue.

Hurt were Vaid Baker, 42, of 1622 State St., Madison, and Joseph Gann, 74, of 1118 Grand Ave., Madison. Passengers in the Blyue car, Blyue was charged with careless driving.

Andrew Laswell, 41, Dies in St. Louis

Andrew Edward Laswell, 41, of Rural Route Two Belleville, died at 10:40 a.m. Sunday at John Cochran Veterans Hospital, St. Louis. He had been in ill health five and a half years and in the hospital two months.

Mr. Laswell was born in Princeton, Ind. He was a member of Madison Church of Christ, and a veteran of the Korean war.

Mr. Laswell had been employed at Lloyd's Rental and Sales Co., Belleville, for the past six months. He previously worked at Monsanto Chemical Co.

He also leaves two brothers, James Laswell of Evansville and Robert Laswell of Robinson, Ill.; three sisters, Mrs. Hazel Montgomery, Evansville, Ind.; Mrs. Ann Roney, Northfield, Ill.; and Mrs. Bonnie Sue Davis, Princeton, Ind.

WE WILL NOT STOP TALKING ABOUT V.D.

It must seem that everywhere you turn somebody is harping to you about venereal disease and especially gonorrhea. We admit to being an active public pleader on the subject. But frankly its importance is really overwhelming. It can actually effect the whole basic health structure of our country.

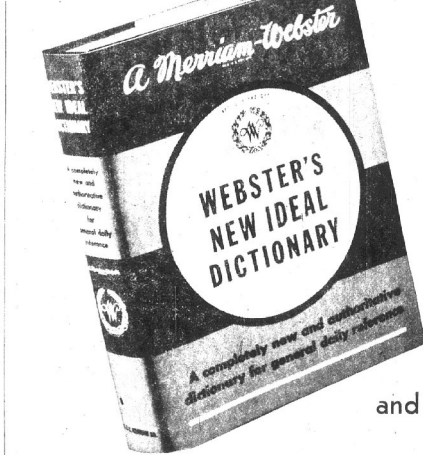

We could quote you a whole lot of frightening statistics, but statistics do not seem to impress people to action unless they or someone close to this becomes one. Don't let it happen. Become an activist in a fight where nobody can win and everybody can lose. If anyone you know has a VENEREAL DISEASE urge them to consult a physician.

YOU OR YOUR DOCTOR CAN PHONE US when you need a delivery. We will deliver promptly without extra charge. A great many people rely on us for their health needs. We welcome requests for delivery service and charge accounts.

St. Joseph's Scene of Amprim-Szucs Wedding

Miss Kathleen Szucs, a daughter of Mr. and Mrs. John Szucs, 1630 Spruce St., became the bride of Raymond Amprim Jr., son of Mr. Raymond Amprim Sr., 2045 Parkway Drive, Warren, Ohio, in an afternoon ceremony Saturday at St. Joseph Roman Catholic Church. She selected a blue dress with matching accessories and held a Colonial bouquet of white carnations.

The Rev. Martin Mangan officiated at the 1 o'clock ceremony.

For her wedding, the bride chose a white polyester knit street length dress, designed with an oval neckline and short sleeves. Her shoulder length veil of silk illusion was secured with a small cascade of lace flowers and a bow trimmed with pearls and rhinestones.

She carried a Colonial bouquet of white carnations intermingled with lily of the valley and tied with a white satin bow and long streamers.

Miss Maureen Szucs, the bride's sister and maid of honor, wore a dress fashioned of purple polyester knit with matching accessories. Her bouquet was an arrangement of white carnations tipped in purple.

Miss Judith Amprim, a sister of the groom, was bridesmaid. She selected a blue dress with matching accessories and held a Colonial bouquet of white carnations.

Mr. Amprim chose his uncle, James November, as best man and Ted Domotovich, a cousin, as groomsmen.

The former Miss Szucs, a 1969 graduate of Granite City High School, is employed at International Shoe Co., St. Louis. The bridegroom was graduated in 1969 from Warren Western Reserve High School. He was recently discharged from the U. S. Army and plans to enroll at Youngstown University in Ohio in March.

Mr. and Mrs. Amprim will move to Warren, Ohio, after Jan. 1.

MR. AND MRS. RAYMOND AMPRIM JR., who were married Saturday afternoon at St. Joseph Roman Catholic Church. The bride is the daughter of Mr. and Mrs. John Szucs, 1630 Spruce St.

'Current Events' Is Lively Topic

Mrs. Bette Rea presented a program on "Anna Christie" by Eugene O'Neill at a meeting Thursday of the Bay View Reading Club, held in the home of Mrs. Margaret Amovitz, 2109 Amos Ave.

A routine part of the program—the introduction of current events—led to a spirited and lengthy discussion as each member reported a news item from a recently published newspaper.

The hostess served a luncheon to 16 members. Mrs. Verna Stuart will entertain the group in her home for the Dec. 9 meeting, when a Christmas luncheon is planned.

Area Teachers Plan Conference

More than 300 teachers of classical languages will convene in St. Louis in February for the 1972 Illinois Classical Conference.

A local planning committee of area teachers who will host the state-wide convention Feb. 10, 11 and 12, held its initial meeting last week at the conference headquarters, the St. Louis Gateway Hotel. Mrs. Wilma Ochs of Belleville Township High School-West is serving as coordinating chairman.

Other teachers serving on the committee are Miss May Ann Brondsch, St. Teresa Academy and Miss Mary Coffey, Lincoln Senior High School, East St. Louis; Dr. Gertrude Drake, Southern Illinois University-Southwestern campus; Sister Olivia Forster of Alhaff; Rev. John Garvey, Rev. Dennis Meyer and Rev. Charles Hurkes of St. Henry's Seminary; Harold Hack, Belleville Township High School-East; Mrs. Mary Jane Mongan of the Academy of Notre Dame, Belleville; Miss Dorothy Rainey of Marine; Mrs. Dorothy Keelling, Collinsville High School; Ken Hagen, Alton High School; Ken Van Buren, East Alton High School; and Sister Richelle Williams of Notre Dame College, St. Louis.

EMERSON HOBBY SHOW WINNERS (left to right) are James McCabe, butterfly collection; and Marty Kettelhub, lower intermediate, stamp collection. The winners received ribbons and gifts and each entry received a participant's ribbon. Mrs. Judith Crawford was judge of the displays.

Hobby Show at Emerson School

A hobby show and a play on "Friendship" highlighted the November meeting of the Emerson PTA last week at the school. The president, Mrs. Mary McCabe, presided and the unit heard a talk on "Education of the Home Front" by Dr. James Comer of SIU-SW.

The vice-president, Mrs. Carolyn Curtis, led the PTA prayer and reports were given by the secretary, Mrs. Ann Derossett, and treasurer, Mrs. Maxine Rutter. Mrs. Rosie Pinkston, yearbook chairman, reported that a bake sale, held during an open house in October, was successful.

Mrs. McCabe issued an invitation to the next Area PTA Council meeting at 7:30 p.m. Nov. 18 at Wilson School. A program will be presented on "Child Protection and Child Abuse." Four books on environmental and conservation studies were presented by Principal Albert Wilson by the PTA for faculty use.

Mrs. Helen Kettelhub, program chairman, announced nine winners in fourth-fifth-sixth grade student entries for the hobby show. They included such displays as fossils and butterfly collections. Ribbons were presented for each entry, and gifts were presented to the winners.

Three students from SIU-SW presented the play and a movie was shown for the children during Dr. Cromer's talk. The speaker stressed ways to cope with problem children, failing students and the alien child.

Leonard Hayes' classes won the room count and refreshments were served in the cafeteria by second and third grade room mothers.

Holiday Planning by Junior Service Board

The executive board of the Granite City Junior Service Club held its November meeting last week in the home of Mrs. Elmina Trachsel, 2820 Yale Drive, with her daughter, Mrs. Phyllis Grimms as hostess. The president, Mrs. Carol Tritschuh, presided and plans were made for a general club meeting this week.

Mrs. Francisca Radwin discussed the previous meeting and reports were given by the treasurer, Mrs. Mary Lou Worthen, and charity chairman, Mrs. Phyllis Stieb.

Mrs. Marilyn Bodman reported on The Colonades birthday club, patients were presented with gifts.

Mrs. Loretta Krekovich gave a summary of a special date party and Mrs. Carolyn Thornburg gave results of a home tour sponsored by the club. Tea was served during the tour at the home of Mrs. Kiril Kirich, where Christmas stockings were on display.

Plans were discussed for a breakfast with Santa Claus and Mrs. Linda Saltich will be in charge of the annual Christmas party Dec. 20. Mrs. Linda Yesci will be chairman of the Christmas stockings for new arrivals at St. Elizabeth Hospital.

The November club meeting will be preceded by a pot luck dinner, with several new "probies" as guests. Mrs. Trachsel will be in charge.

Mrs. Stieb and Miss Flora Mae Lensing took a cake and gifts to a handicapped girl club sponsors for her birthday.

WELCOME WAGON CLUB IS ORGANIZED HERE

The Granite City Welcome Wagon Club held its first meeting last week in the auditorium of the YMCA. An informal social hour was held and neighborhood telephone chairmen were appointed.

Mrs. Lyn Martin received the evening's prize. Cookies, nut bread, coffee and tea were served by the hostesses, Mrs. Joanna Spencer and Mrs. Ruth Bischof. A turkey centerpiece was flanked by orange candles.

The club will meet again Dec. 14 at the YMCA, and on each second Tuesday.

TOASTMASTERS TO MEET
"Goodfellows" Toastmasters Club 1667 will meet at the Granite City Army Post to-night at 6:30. The dinner meeting will be presided over by Don Zehold. Educational vice-president is Steve Gargac.

Others attending were Mrs. Charles Polhman and Mrs. Rena James.

AUTUMN WEDDING. Mr. and Mrs. James Buford, who were married at the First Presbyterian Church, the bride is the former Miss Judy Garrison, a daughter of Mr. and Mrs. James Garrison, 2414 Grand Ave.

Miss Judy Garrison, James Buford Are Wed

The First United Presbyterian Church was the scene of the wedding of Miss Judy Garrison, a daughter of Mr. and Mrs. James Garrison, 2414 Grand Ave., and James Buford, son of Mr. and Mrs. Euel Buford, 4922 Mueller Ave., on Nov. 6.

Two vases holding arrangements of pink and yellow roses decorated the altar for the 11:30 a.m. ceremony performed by the Rev. David Maxion. The bride selected a white chignon over taffeta gown designed with a basque bodice, featuring an oval neckline, a soft lay down collar and long sleeves re-embroidered with lace motifs. The motifs were repeated on the controlled skirt and at the hem.

A halo headpiece of lace held in place a cathedral length veil and train of bridal illusion bordered with appliques of lace roses. Her bouquet was of white roses and 'mums interspersed with miniature daisy 'mums and lace with greenery.

Miss Lela Brokaw, maid of honor, appeared in a formal length gown of yellow chiffon fashioned with long sleeves and a round neckline. On her hair she wore a nosegay veil secured with a yellow satin bow, and she carried a tear-drop bouquet of pink roses and yellow 'mums.

Serving the groom as best man was Tom Boush. Ushers were Jeffrey Varady and Gregory Varady, cousins of the bride.

A reception for guests was held at the bride's parents at the Polish Hall in Madison.

Both young people are graduates of Granite City High School and are attending SIU-SW.

Miss Michelle Deborah Ruff and Joseph Dewitt Greene were united in marriage Nov. 3, in a Unitarian Universalist ceremony in North Canton, Ohio.

The Rev. Gordon McKean, minister of the Unitarian Universalist Church of Akron, Ohio, performed the service in the home of Mr. and Mrs. William Gruber, 2748 Englewood Drive N.E., close friends of the family. The double ring ceremony was written in part by the couple.

The bride is a daughter of Mr. and Mrs. Victor Bell of Malvern, Ohio and a granddaughter of Mr. and Mrs. Joseph Wylie of Granite City. The bridegroom is the son of Mr. and Mrs. Dee Greene, 4310 Kirkpatrick Homes.

Given in marriage by her father, the bride was attired in a formal length gown of white peau de soie fashioned in A-line style and embellished with seed pearls. Her fingertip veil was created of imported lace.

Attendants to the bride were her sisters, Miss Denise Ruff

Altar Group Plans Dance, Bazaar

A Thanksgiving dance will take place Saturday evening at St. Joseph's Church Hall, 21st and State streets, sponsored by the St. Ann's Altar Society.

Music for dancing will be provided by the Birch Birch-erich Polka Band from 8:30 p.m. to 12:30 a.m. The public is invited to attend and admission will cost \$5 per couple, which includes a beverage and set-ups. Mrs. Ann Pieper, society president, said. Sandwiches also will be available, she added.

Other events planned by the St. Ann's Altar Society during the coming month, include a "Gourmet Luncheon" at 6 p.m. Sunday, Dec. 5, with a limited number of tickets, \$1.50 each, available in advance.

Tickets may be obtained from Mrs. Pieper at 876-002, or Mrs. Jean Stanfill, at 451-9718. Several prizes will be awarded patrons at the luncheon event, the society president noted.

The women's group also will sponsor a Christmas bazaar from noon until 7 p.m. Sunday, Dec. 5. A variety of needlework, handicraft items and home-made bakery goods will be offered at the booth sale.

Film on 'Russia' at SIU-SW Sunday

Russia, the first uncensored film about the Soviet Union, will be presented at Southern Illinois University-Southwestern campus at 3 p.m. Sunday in the Meridian Ballroom of the University Center. The public is invited, admission free.

Described by Time as "Beautiful! Great sensitivity, sympathy and authenticity," the Russian film records the daily life of ordinary people and was filmed over an 18-month period in Leningrad and the Baltic states, Moscow, Siberia, Central Asia, Georgia, Armenia and the Caucasus.

Commentary for the epic panorama of the Soviet Union was written by Harrison E. Salisbury, a Pulitzer Prize winner and New York Times journalist.

The 105-minute, 16mm sound film was produced and directed by Theodore Holcomb, a native of California and a graduate of Oxford University. Holcomb has made such award-winning films as "Africa Village, Japanese Village, Nepal Himalayan Kingdom, and, in association with France, a winning film, "To Be Alive. He also did We Are Young, shown at the Montreal Exposition and shown at the U. S. Pavilion at the HemisFair in San Antonio.

The film's presentation at SIU-SW is a Loveley Library/ARTS-Lecture feature.

Psychologist to Address Parents

Dr. Raymond Troyer of the Department of Psychology at Southern Illinois University-Southwestern campus, will be the speaker at a meeting of the Granite City Chapter 470, Parents Without Partners, at 8 p.m. Wednesday at the Post 113 American Legion Hall, 24th Street and Madison Avenue.

Registration will begin at 7:30 p.m. with the meeting to start promptly one half-hour later. Questions may be asked the speaker following his talk and a social hour with refreshments is planned after the program, a chapter officer said.

Area residents interested in joining the local chapter of Parents Without Partners may attend the meeting or call a new answering service maintained by the organization. The telephone number is 347-3688, the spokesman said.

MRS. CRAIG M. AUMANN. The former Miss Linda Yvonne Moore, a daughter of Mr. and Mrs. Harvey C. Moore, 2237 E. 24th St., whose wedding was Saturday at the Third Baptist Church. The bridegroom is a son of Mr. and Mrs. Uddell Aumann of Edwardsville.

Linda Yvonne Moore Is Bride of Craig Aumann

Miss Linda Yvonne Moore, a daughter of Mr. and Mrs. Harvey C. Moore, 2237 E. 24th St., and Craig Martin Aumann, 1335 Lee Drive, Edwardsville, were united in marriage Saturday in an afternoon ceremony at the Third Baptist Church.

The Rev. Carl Watkins, pastor, officiated at the double ring ceremony at 4 o'clock before an altar decorated with white satin bows, large white floral arrangements accented with palms and lighted tapers in branched candelabra. Candelighters were brothers of the bride, Roger and Eugene Moore.

Miss Ruth Anna Showers was at the organ and provided the accompaniment for the soloist, the Rev. Dave Richardson, who sang "Because" and "True Love."

Given in marriage by her father, the former Miss Moore was attired in a gown of imported peau de soie and peau d'ange lace fashioned with an Empire bodice, a high neckline and long tapered sleeves. It was embellished with tiny seed pearls that created a floral pattern. The floor length A-line gown swept into a full chapel train, appliqued with matching lace trim.

A Camelot hat secured the long bouffant veil of imported bridal illusion and she carried a cascade bouquet of white pom poms, chrysanthemums, stephanotis, white roses and baby breath.

Preceding the bride down the white-carpeted aisle were her attendants.

Miss Jane Moske, maid of honor, wore a floor-length gown of gold velvet with an Empire waistline accented with embroidered Venise lace, highlighted in front with satin bows and streamers. It had a high ruffled neckline, edged in Venise lace, and long puffed sleeves.

For her daughter's wedding, Mrs. Moore chose an A-line dress and belted coat ensemble in mint green outlined with Venise lace on the collar and hemline. Mrs. Aumann, the bridegroom's mother, selected an A-line style dress in burnt orange. Both mothers wore matching accessories and corsages of yellow chrysanthemums and yellow Sweetheart roses.

A reception was held immediately following the ceremony in the church fellowship hall and Miss Carol Gauen was in charge of the guest book. A party was given later at the evening in the banquet room at Montclair Bowling Lanes in Edwardsville.

The bride, a graduate of Granite City High School, is employed in the business office at the Tri-City Grocery Co. The bridegroom is employed at the Vestel and Straub Barber Shop in Edwardsville. He graduated from Edwardsville High School and from the Barber College in Belleville.

After a wedding trip, the newlyweds will make their home in Edwardsville.

Psychologist to Address Parents

Dr. Raymond Troyer of the Department of Psychology at Southern Illinois University-Southwestern campus, will be the speaker at a meeting of the Granite City Chapter 470, Parents Without Partners, at 8 p.m. Wednesday at the Post 113 American Legion Hall, 24th Street and Madison Avenue.

Registration will begin at 7:30 p.m. with the meeting to start promptly one half-hour later. Questions may be asked the speaker following his talk and a social hour with refreshments is planned after the program, a chapter officer said.

Area residents interested in joining the local chapter of Parents Without Partners may attend the meeting or call a new answering service maintained by the organization. The telephone number is 347-3688, the spokesman said.

Warriors Happy, Topple Touted Maroons by 23-13

By STEVE BURDGE
GCHS Football Writer

Defeating the top-ranked team in the St. Louis area is a great accomplishment for any team, and that is just what the football Warriors of Granite City High School did Friday night by knocking off Belleville West 23-13.

In closing their season on the Belleville gridiron, the Warriors finished on a happy note in extending their record to 5-2-1 in Southwestern Conference action. West, with a Thanksgiving Day game remaining with East St. Louis, now is 7-1 overall and 2-1 in conference.

Coach Wayne Williams' Warriors, who have defeated all three Belleville high schools, have had trouble getting their offense and defense together all year. But that is exactly what happened Friday night and the outcome was tremendous.

The Warriors had been a running team most of the season, but against West's Maroons, they mixed in the pass plays beautifully. Quarterback Joe Wallace completed nine of 18 passes for 125 yards and two touchdowns.

Offensive Line Up. The offensive line of Granite got up for the occasion also, doing an excellent job of blocking, and gave Wallace ample time to pass.

In the opening quarter, it looked as if the game was going to be a tight defensive battle as most of the action took place in the middle of the field. However, after the Warriors punted at the start of the second period, things began to happen.

Starting on their 49-yard line, the Maroons used three running plays to take the ball to the GCHS 36. On the next play, Belleville's junior quarterback Gary Mauser threw a touchdown pass to Dale Greiman for a 7-0 lead.

The Warrior offense did move the ball into Maroon territory a few times but was unable to score, and the half ended 7-0. In the second half, Granite came out fired up. Early in the third quarter, the Warrior defense held on a fourth-down play with just inches to go for a first down.

Fumble Stops Drive. Granite took over on its 49-yard line and moved the ball all the way to the one before a fumble stopped the drive.

The Warrior defense, however, would not give in. The stalwarts held the Maroons deep in their own territory and forced them to punt. The stalwarts held the Maroons deep in their own territory and forced them to punt.

Belleville then kicked to the Warriors, and GCHS started from its own 46-yard line as the deciding fourth quarter began. Five running plays by Stan Stojduhar and one by Wallace took the ball to Belleville's 21. Wallace then found Kevin Dyer in the end zone for a scoring strike.

Wallace immediately hit Dyer with another pass for a two-point conversion, and GCHS found itself in the lead 10-7. After the kickoff, Krause and the defense again spoiled the Maroons' hopes. Krause picked up a fumble and carried the ball to the Belleville 15-yard line.

Wallace Hits Again. From there, three running plays took the Warriors to the eight where it was fourth down and three to go. Wallace then found Chuck Logas open in the end zone, and after the extra point, Granite led 17-7.

Following the kickoff, Belleville moved the ball to Granite's 45. Mauser faked back to pass, and a big rush forced him to scramble. He did so for nearly

Kevin Dyer, the Warrior split end, for the two-point conversion, making the score 10-7, and the Belleville Maroons perfect record began to crumble under a dynamic Warrior fourth-quarter attack.

team's streak to 13 games with eight left to play.

Southwest, touted as one of the hardest teams to defeat on the Warrior card, provided an action filled hour in St. Louis. For the first time this year the Warriors were outshot as they gave up 15 and managed only 13 at the St. Louis net.

Goalie Glenn Williams was credited as the savior of the game, halting all 15 Southwest attempts. Coach John Sellmeyer also credited Steve Burdage and John Conway for fine defensive play.

Conway Jams Foot. Conway jammed a foot during the early play but insisted on remaining in the action. "He did a beautiful job, despite his injury," Sellmeyer stated.

Southwest dominated the play in the first half, keeping the Warriors on the defensive most of the time. At 10 minutes into the half, Williams halted a goal attempt, kicked it about two-thirds the distance of the field and Jim Forrester picked it up. Forrester dribbled to the edge of the penalty area and blasted a hard spinning kick toward the net.

The Southwest goalie dove for the ball and deflected it, but could not keep it out of the net. In the second half the Warriors seemed to get stronger while Southwest players weakened.

With two minutes left, Conway kicked a long high attempt from the left which bounced from the top bar of the net to Jerry Duncan who was in front of the goalie. Duncan headed the ball to Randy Worthen who edged it into the net for the final score.

St. Henry Game. In St. Henry's game, Jerry Duncan and a Conway each earned three goals while Bill

Bronnbauer scored one and was credited with assists on four.

The Warriors took 38 shots on goal while giving the Belleville squad only eight. In the first five minutes of the game, the Granite City players were out of top form, allowing four goal opportunities pass without an attempt.

At the five-minute mark, Perry Dillard placed a right side penalty kick in front of Jerry Duncan who capitalized on an open net to break the scoring ice.

Three minutes later, Bronnbauer gave Duncan a short pass which Duncan blasted for a point. At 12 minutes into the period, Bronnbauer took a head pass from Carl Dake and scored. A goal by Conway on a minutes gave the Warriors a 4-0 lead at halftime.

Tap to Duncan. Early in the second period Duncan took a short tap from Bronnbauer and added a fifth point to the total, and at 15 minutes into the period Bronnbauer passed to Jim Conway for another goal.

The Conway brothers teamed up at 21 minutes into the game as John passed to brother Jim for an open shot. Two minutes later Steve Burdage snatched a pass from Dave Milton and blasted the ball past the goalie to close the scoring.

St. Henry's will be here for a rematch this afternoon on the Wilson Park field and Assumption will travel here for a game tomorrow. The Warriors then will be in St. Louis to face St. John's Wednesday and Whitfield Friday. All games will start at 4 p.m. They will travel to O'Fallon, Mo., Saturday for an 11 a.m. match with St. Dem.

Cougars Come from Behind, Outshoot Florida Team 3-1

A second half comeback performance by John Carezza paced the Southern Illinois University-Southwestern soccer team to a 3-1 victory over the University of South Florida Golden Brahmans Saturday on a sun-drenched Cougar field.

The record-breaking high temperature, plus the let-down after the Cougars' emotional battle with St. Louis University a week before, appeared to favor the South Florida kickers in the first two quarters. The Brahmans, who are No. 3 in the NCAA Southern Regional behind Navy and Howard University of Washington D.C., obviously had upset on their minds. They scored first on a header shot by Dennis Sadler at 5:55 into the second quarter on an assist by Bob Hanna.

The 4,000-plus SIU-SW rooters and Coach Bob Guellier appeared worried as the Cougars left the field at halftime, trailing 1-0. South Florida had withstood a barrage of 13 shots on goal by the Cougars in the opening quarter while managing only two of its own. In the second 22 minutes, the Brahmans outshot the Cougars, 5-4, including the go-ahead goal. South Florida's only previous loss this season was two weeks ago to No. 1 St. Louis University, 4-1.

Whatever the veteran Guellier said to his charges at the intermission, it was very effective. At 5:30 into the third period on a picture book play, Tom Howe booted the ball in from a corner kick perfectly to John Carezza who headed in the deadlocking score. Eleven minutes later (at 16:36), the same co-captain Cougar combination scored again. Howe passed to Carezza and, on almost pure hustle, Big John blasted the ball in and the game's outcome thereafter was never in doubt.

Chris Carezza made it 3-1 at 18:48 in the fourth quarter with the assist coming from his brother John.

Await NCAA Bid

Saturday's victory over South Florida marked the close of SIU-SW's regular schedule and set up a two-week period of waiting until the "phone rings with an almost sure bid for the Cougars' third straight post-season NCAA Midwest regional tournament."

It was also the final regular game for eight SIU-SW seniors, three of whom are regulars: John Carezza, Tommie Howe and the darling of the rapidly growing Illinois area fans who have just discovered soccer, play-maker and ball-control artist, John "Dino" Denowski.

The other seniors are: Galvin, Dennis Huneke, John Meyer, Larry Schmidt and John Meyer. Fred Paucett, another senior, was red-shirted last season due to two knee operations and will have another season of competition coming.

In four seasons of collegiate competition, John Carezza has scored 60 goals, including his 7th and 18th Saturday in the current season. The former St. Mary's (St. Louis) graduate and member of the current U.S. Olympic squad, had a great season, as did the other four forwards on the SIU-SW squad: Tom Twellman, Denowski, Howe and Chris Carezza. But, probably even more important to the Cougars' brilliant 9-1-1 season was the defensive play of their backs: Rich Neitzert, who played a standout game Saturday against the Brahmans; lanky Vince Fassi, rugged Dennis Driscoll, aggressive Kevin Howe and Tom Galati, who is equally at home on defense and offense.

Super Goalie

In goal, the Cougars' Rick Benben was super, posting seven shutouts and well over 500 minutes of continuous play without a goal scored on him this season. SIU-SW was fortunate in having Jim Stranz, a top-flight goalie, in reserve last season and this. An injury to Stranz, his foot cut by broken glass, gave Benben his shot at the position.

Freshman Bob Kesson and Paul Gentile, and sophomores Twellman and Galati, plus juniors Driscoll, Fassi, Tim Putnam and Howe make the future of soccer at SIU-SW appear solid.

Right now, however, the present is the important thing for the members of the SIU-SW soccer team: another shot at a Midwest NCAA regional tournament berth and a chance to meet St. Louis University again. For two straight seasons, the Billikens of Coach Harry Keough have stopped the drive of the young

Cougars toward a national championship.

Three years ago, the Bills turned back the Cougars 4-0. Last year, they did it again on a 2-1 come-from-behind thriller in the game's last eight seconds. The Bills did it again Nov. 4 after the Cougars had let 1-0 through 81 minutes of play, winning 2-1.

Now, with a possible trip to the Orange Bowl on Dec. 28-30 to play for the national championship, the Cougars must again meet the Bills, probably Saturday, Dec. 4.

With the NCAA moving this year to set up two divisions in soccer, a university division and a college division, it will be the Cougars' last chance to play in the university division since all the rest of SIU-SW's sports are in the college division category.

It appears now that first round action in the Midwest NCAA regional will take place Satur-

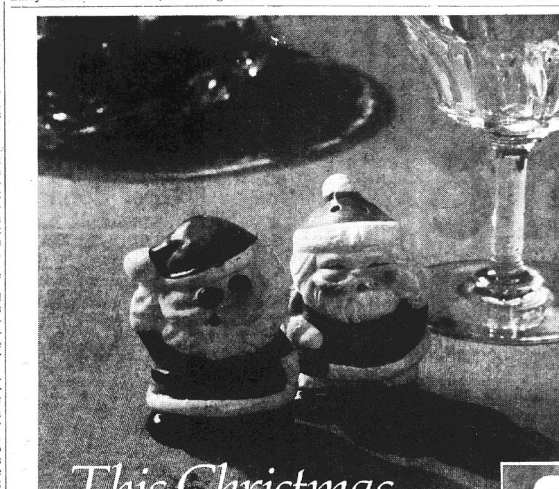

day, Nov. 27, at Cougar Field, with St. Louis University meeting the region's No. 4 team and SIU-SW taking on the No. 3 club in a double-header. The two winners would meet the following Saturday for a right to advance to Miami.

In Saturday's victory over South Florida, SIU-SW outshot the visitors 32 to 11. In corner kicks, the Cougars' had a 9-1 advantage, while in fouls it was SIU-SW out-in-front with 25 to 16 for the Brahmans, probably because they had to fight for possession of the ball due to trailing early in the game.

This week, Coach Guellier has scheduled his squad's annual varsity JV game for 3:30 p.m. Tuesday and on Friday will meet Florissant Valley Junior College in a practice scrimmage to keep in shape as St. Louis University travels to the Windy City to play the University of Illinois, Chicago Circle, in the Bills' final contest.

Eagles Soar Over Trojans 36-14 in Season's Finale

The Madison High School football Trojans were defeated 36-14 by Civic Memorial of Bethalto Saturday afternoon on the Madison field to wind up the Trojan season with a 2-7 record.

The Trojans came on strong in the first quarter, driving for four first downs while holding the Eagles.

The real action in the first quarter came when Trojan Eugene Mueller completed a pass to Chris Stanley for the first touchdown of the game.

The second quarter opened with Madison called for holding, and Bethalto drove to the Trojan eight-yard line. Madison stopped the drive with a good defensive effort, but on the following series of plays, on

the second down, resulted in a fumble on a handoff and led to a safety and two points for the Eagles.

The Trojans kicked to CM and the Eagles brought the ball with a strong offense, down to the Madison two-yard line. They scored on a hand off from quarterback John Bost to Bob Meyers. The two-point conversion was good. At the end of the first half the score was 10-0, Trojans 6.

At half time a special tribute was paid to the parents of the Trojans, who were special guests of the team for the final game.

Madison was stopped cold in the third quarter, gaining only one first down while CM racked up five. The quarter was high-

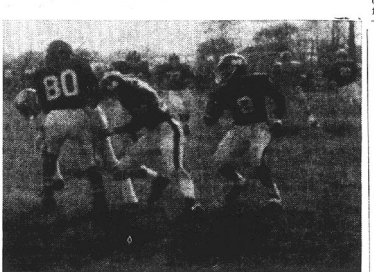

lighted by a Madison interception and a fumble by John Newsome with a recovery by the Eagles at the end of the third quarter.

Civic Memorial marched from the field as the fourth quarter began. Bost this time handed off to Eagle Ron Hammon for another Eagle TD, followed by a two-point conversion. The Eagles scored three more times before the Trojans got back into the game.

Trojan Ed Chandler, made a 49-yard run for a TD on a handoff from quarterback Gene Mueller.

Another handoff from Mueller to Newsome made the two-point conversion.

STOPPED ON THE 50-YARD LINE. Trojan running back Charlie Johnson (30) feels the wing of Eagle Orville Pranger (10) as Johnson is brought down, but not before he made a first down.

AN EAGLE FALLS! Trojan John Prothro (80), Roger Glasper (32) and Ed Chandler (8) stop an Eagle from Civic Memorial, in flight during Saturday's game at Madison. The Trojans lost their last game of the season 36-14.

GCHS Sophs Compile 7-2 Mark for Season

The Granite City High School Sophomore football team finished the season with a 7-2 overall record and 4-0 against Southwestern Conference schools.

"We had a real tough defensive club with a terrific line. This has been one of the best sophomore teams we've had in some time," Gus Chappell, sophomore coach said.

The young Warriors scored 256 points, allowing their opponents 93.

Playing primarily a rushing game, they gained 1,366 yards. The main ball carriers were Dale Williams, halfback, averaging 8.37 yards and scoring 11 touchdowns; Walter Milton, halfback, 4.55 yards and three TDs; and John Avedesian, fullback, averaging 5.97 yards scoring three touchdowns.

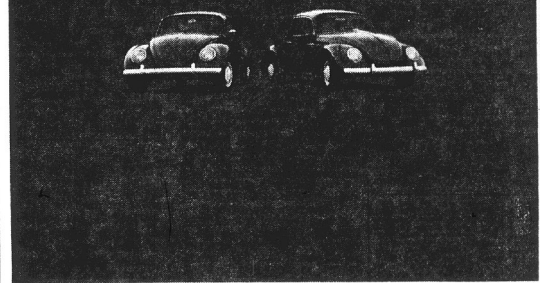

The sophomore passing attack was there when needed and produced 778 yards. David Dombeck, quarterback, had 32 completed passes in 82 attempts, with five interceptions. The average yards gained by passing was 46.3, accounting for seven touchdowns. Dom-

In 1971, things got a little better. All told, there are more than 3 1/2 million good old VW's zipping around the good old U.S.A.

It is far and away the biggest automotive success story of all time. It is also the simplest.

The VW keeps getting better. And keeps selling better. But simple doesn't mean easy.

For 24 years, VW has improved its improvements and refined its refinements. And we've made VW service as good as the car itself.

What you get for your money is a

car that asks almost nothing of you: A dribble of gas and oil, no water or antifreeze.

In return, Volkswagens cheerfully conquer mountains, skim deserts, float through floods, trudge through winters.

People pamper them, abuse them, depend on them and just plain love them.

For 24 years VW has raised the eyebrows and troubled the sleep of every other car maker in the world. The years have been kind to us, and you have been kind to us.

And we thank you.

GC Business Women's 50th Anniversary Dinner Marks Noteworthy Achievements

By VALERIE EVENDEN
Press-Record Staff Writer

Fifty years ago this month, a comparatively small group of perceptive women dedicated to elevating the standards for women in business and the professions by working together, organized a club to achieve this goal.

They affiliated themselves with a growing national organization—founded just 18 months earlier—the National Federation of Business and Professional Women's Clubs.

The local group then began the task of helping to extend opportunities to business and professional women through education along the lines of industrial, scientific and vocational activities.

The objective seemed, a half-century ago, almost insurmountable. Few outsiders believed the infant club could survive, thrive and expand its horizons to achieve its present growth and many accomplishments.

Anniversary Dinner

On Wednesday evening, the Granite City Business and Professional Women's Club will celebrate the 50th anniversary of the local BPW chapter at a 6:30 p.m. dinner in the Officers' Club at the Granite City Armory Installation.

Community leaders and representatives of many area organizations will join BPW members in observing the golden anniversary event.

The dinner meeting will be highlighted with a special program, entitled "Through the Years," prepared and presented by Mrs. Elvira Thurber, Mrs. Ruby Parker, Mrs. Pauline Weir, Mrs. Dolores Allen and Mrs. Helene Bischoff.

A musical interlude will be part of the entertainment with selections by Mrs. Ann Pieper, soloist, accompanied by Mrs. Clara Judd, Mrs. Bischoff is general chairman of the anniversary dinner with Mrs. Catherine Michel and Mrs. Thurber serving as co-chairmen.

ganized on Nov. 4, 1921, with 23 charter members. Mrs. Clara Needles, a prominent local club woman, first suggested meeting with the East St. Louis BPW Club on Oct. 12, 1921. It was after the initial session that the Granite City group formally organized with the assistance of the East St. Louis women.

The original membership of 23 soon was increased to 100 members, with a waiting list established as required in the club by-laws.

On April 7, 1922, the Granite City BPW Club officially became affiliated with the national and state federations.

Adopt Objectives
A five-point program, adopted at the club's inception and followed without change throughout its 50-year history, reads:

"The organization was designed to promote the interests of business and professional women; to bring members into relation of mutual helpfulness; to stimulate cooperation among business women; to unite them in thinking groups for service in the advancement of their cause and that of other women; and to do whatever possible for the advancement of their community."

The Granite City BPW Club, with a current membership of 88 active members, is headed by Mrs. Pauline Weir, a supervisory auditor at the Automated Logistics Management Systems Agency, St. Louis, who follows closely in the footsteps of the chapter's 31 preceding presidents by maintaining an active interest in all community activities and affairs although a career woman and a homemaker.

In addition to being president of the local club, Mrs. Weir is serving as state historian for the Illinois Federation of Business and Professional Women's Clubs during the current year.

Only six of the chapter's 32 presidents were unmarried and four of these held office in consecutive years from 1923 to 1929.

Members Are Active

A recent survey of local BPW members disclosed the average Granite City member takes an active part in three other organizations, in addition to her BPW membership.

Mrs. Weir is no exception. She is a charter member of the Third Baptist Church and holds membership in the Federal Accountants Association; the Society for the Advancement of Management; and the Madison County Heart Association of which she is secretary. She is a member of the Salvation

50TH ANNIVERSARY YEAR OFFICERS of the Granite City Business and Professional Women's Club who will celebrate a half-century of progress at a dinner party for club members and guests Wednesday evening at the Granite City Armory Installation. Seated (left to right) are Mrs. Helen Christich, corresponding secretary; Mrs. Lillie Marzuff, first vice president; Mrs. Pauline Weir, president; Mrs. Bonnie Lazenby, second vice president; Mrs. Ruby Parker, secretary; and Mrs. Sylvia Wright, treasurer. Standing (from the

Army Aid Advisory Board and a membership of the scholarship committee of Granite City Community Unit District 9. An active volunteer worker, Mrs. Weir served as general chairman of the Salvation Army's "Tree of Lights" campaign and as a "Bellringer" during the Christmas season. She also has worked in United Fund, March of Dimes and Heart Fund drives.

Current Officers
Other BPW officers are similarly active. They include Mrs. Lillie Marzuff, first vice president, a supervisor in the printing department at A. G. Edwards and Sons, Inc., St. Louis; Mrs. Bonnie Lazenby, second vice president, a bridal consultant and co-owner of Lazenby Photographers; Mrs. Ruby Parker, recording secretary, assistant treasurer of Norfolk and Western Credit Union; Mrs. Sylvia Wright, treasurer, an instructor at Alfred Werber Manufacturing Co., St. Louis; and Mrs. Helen Christich, corresponding secretary, who is office manager for the East Side Levee and Sanitary District.

State Auxiliary Officers Visit

Special guests attending a meeting of the Amvets Auxiliary Post 51 last week were Mrs. Dolores Robach of Chicago, Illinois Amvets Auxiliary Department president and Mrs. Ruth Haach of Lincoln, Ill., executive secretary of the state auxiliary.

Mrs. Betty Wilkins, Unit 51 president, presided at the business meeting and announced the local organization will participate in a Pearl Harbor Day observance Dec. 5 in St. Louis. Plans were discussed for a "family day" covered dish dinner, to take place Nov. 20 at the Post Home, located at 5100 Lakeview Drive. Reports were submitted by officers and committee chairman.

Mrs. Betty Wilkins and Mrs. Linda Wilkins were hostesses for the evening and served refreshments. Mrs. Etta Clements won the "white elephant" gift.

Present members of the board of directors are Mrs. Genevieve Grady and Mrs. Lorene Sadrakula, both employed as clerks at General Steel Industries; Mrs. Maxine Butler, clerk-typist, Eisenstadt Jewelry Manufacturing; Mrs. Ann Burton, bookkeeper, Big 4 Chevrolet, Inc.; and Mrs. Ruth Walk, systems accountant, ALMSA, St. Louis.

Occupations of club members are equally as varied and interesting. Earlier presidents have included school teachers, a business investment counsel-

or, an interior decorating and lighting consultant; a librarian; a store owner and a newspaper correspondent.

The Granite City Business and Professional Women's first president was Mrs. Dorothy Bunker in 1921-22.

Other top executives were Mrs. Pearl Rosenberg, 1923-24; Miss Dorothy Ranft, 1925-26; Miss Daisy Pick, 1927-28; Miss Dorothy Kleffman, 1929-30; Mrs. Pearl Ryckman, 1931-32; Mrs. Mildred Davis, 1933; Mrs. Jeanne Reismy, 1934; Mrs. Blanch Fearing, 1935-36;

Education Crisis Is AAUW Topic

Mrs. Gilbert (Jean) Hall was the featured speaker at a dinner meeting of the Granite City Chapter of the American Association of University Women Thursday evening, held at the Heritage House in St. Louis.

A teacher at Wilson School and chairman of the AAUW topic committee, Mrs. Hall chose as her subject, "Crisis in Public Education." She quoted from various books and articles, each presenting a different viewpoint and aspect of current school curricula and personnel and what changes are needed.

Mrs. Hall was a member of a study tour group that visited several educational facilities in Europe last summer. She reviewed several facts learned in the different countries and closed with slides showing many educational institutions and historic places in Europe.

A brief business meeting was conducted by the president, Mrs. Ray (Elizabeth) Edwards. Forty members and guests attended.

Personal Development
Through its wide array of diversified programs in which stress cultural and educational topics, world affairs, business, public relations and communication, legislative and civic participation, the BPW members strive continuously for personal development.

At the same time, the program is geared to assist others achieve success and maintain high standards established by the women whose ideals and beliefs created the Business and Professional Women's Federation in 1919.

First Prayer Breakfast
An innovation in 1968 saw the first "Prayer Breakfast" hosted by the local club, in which civic leaders, Quadt-City clergymen and guests participated and emphasized "Prayer For Peace."

A memorial service honoring deceased BPW members also was conducted for the first time in the group's history. The breakfast has since become an annual dedication service for the women who have served the club since its inception in 1921.

From a handful of women who 52 years ago chartered the National Federation of Business and Professional Women's Clubs in St. Louis, the parent organization has developed into the largest business-professional present membership exceeds women's group in the world. Its 187,000 women.

"We are very proud of our progress and achievements in the past half century," a spokesman for the women's club said. "But we take greater pride in the promise of even greater accomplishments for career women in the future, a promise to which our club members are dedicated as individuals and BPW supporters," she added.

Donna McGee Becomes Mrs. John W. Sutton

Miss Donna Marie McGee, a daughter of Mr. and Mrs. Maurice McGee, 2612 Center St., became the bride of John Wesley Sutton, a son of Mr. and Mrs. James Faircloth, 2800 Idaho Ave., on the evening of Oct. 30 at the West 22nd Street Baptist Church.

A double ring candlelight ceremony was performed at 7 o'clock by the Rev. Thomas Bray.

Given in marriage by her father, the bride selected a modified Empire silhouette gown of silk taffeta with a blue ribbon insertion encircling the waistline. Traditional long sleeves ending in points at the wrists were trimmed with delicate Alencon lace. Lace was repeated on the mandarin collar detailed with a tiny blue bow.

A double bow of silk taffeta formed the headpiece holding in place a chapel length veil of bridal illusion edged in matching lace. She carried a white Bible attached with a miniature bouquet of white carnations and lily of the valley.

Mrs. Maureen Burris, an aunt of the bride, was the only attendant. She chose a blue taffeta dress in the popular Empire style, designed with elbow length sleeves and oval neckline.

A shoulder length veil was secured with a butterfly bow

SIU-SW Director to Attend Day Care Meet

Robert Rockwell, director of the Day Care program at Southern Illinois University-Springfield, has been invited to attend the Governor's Working Conference on Day Care.

The conference will be held at the University of Chicago Nov. 22 and 23. Gov. Richard B. Ogilvie invited Rockwell to join "a limited number of active and knowledgeable community and professional leaders in day care." Their mission will be to "review what has been, could and should be done in both the public and private sectors to achieve a truly and effective and comprehensive day care program for the State of Illinois," the governor said.

Prof. Rockwell, a resident of 10 Floran Drive, Belleville, is a member of the elementary education faculty of the Education Division.

Taxes Go to Many Places, Used for Many Purposes

By RAY SERATTI
Copley News Service

Springfield—Without a doubt taxes in Illinois are not the most popular thing and everyone who pays taxes has something to say about them.

But despite all of the talk, there isn't a great deal of understanding about the taxes. A recent report by the Bureau of Budget shows how a family with an income of \$10,000 spends money on taxes. This average family probably owns a home worth about \$20,000, and in the main there is a mortgage on the home. The average family pays in the neighborhood of \$2,000 in taxes. This is a split of \$500 for the state, \$500 for local government and \$1,000 for the federal government.

The state share is about \$150 in income taxes, \$200 on sales taxes, \$100 in motor fuel taxes and \$50 in cigarette to utilities taxes. Just what happens to that \$500 when it gets to the state coffers? The \$100 in motor fuel taxes goes to the special earmarked fund for the construction, maintenance and patrolling of highways. These are the highways which virtually every citizen in the state uses or is dependent upon. There is \$45 to be spent

for the care of persons who are complete wards of the state in an institution.

Some \$6 will be spent for outdoor recreation and the environment, while another \$6 goes for law enforcement. About \$9 will be spent for imprisonment and rehabilitation of criminals. Then \$24 goes for maintenance of state buildings, the cost of collecting taxes and personnel.

A total of \$190 has been spent of the total \$500. The remaining \$310 goes back to the local government in forms of state grants to be used for schools, welfare programs and universities. Some \$115 will go for the support of elementary and secondary schools, while \$65 will go for higher education. About \$12 is returned to local governments as their share of the state income tax while some \$40 (which actually comes from the \$200 sales taxes) is actually returned to the local governments.

In all some \$78 will go for the payment of welfare programs. This in recent years has been the fastest growing and the hardest to control. It still hurts to pay those taxes, but knowing just where the money eventually goes at least helps to understand the situation.

Home from Hospital

Mrs. Essie West, 63, proprietor of Kelly's Confectionery, returned home late last week from St. Elizabeth Hospital where she had been a patient since having been beaten by a robber at the confectionery Halloween eve.

PROGRESSIVE CLASS AIDS INDIAN CHILDREN

The Progressive Class of Second Baptist Church met at the home of Mrs. Florence Paul, 2132 Illinois Ave. The meeting opened with prayer by Mrs. Melva Roberts and the class sang "Beautiful Garden of Prayer" and "How Great Thou Art."

The 2nd and 10th Psalms were repeated by all and the devotion was given by Louis Jones. Roll call was answered with Scripture verses and a report was read by the secretary, Mrs. Iva Biggs. The project of the month was to give money for Christmas stockings for children on Indian Reservations. The next meeting will be the Christmas party, to be held at the home of Mrs. Naomi Ronney. Present were Mesdames Alma Reagan, Georgia Mitchell, Louise Daniels, Dena Watson, Lona Bonivar, Wilma Gillham, Naomi Burnett, Lena Stephens, Louise Wallace, Maude Beede, Teli Naylor, Minnie Cavin, Eva Ferrell, Mrs. Holshouser and Mrs. Taylor. Prayer for the sick and to close the meeting was given by Mrs. Mina Duggins, Grace Lambeth and Naomi Ronney.

AIR FORCE TRAINEE. Captain Marva Jones, Air Force Recruiting Nurse Advisor, congratulates Debora E. Bunch at WAF (Women in the Air Force) enlistment ceremonies in St. Louis. Miss Bunch later was flown to Lackland Air Force Base, San Antonio, Tex., to begin basic training. After six weeks, she will enter a Technical Training School of her choice. Miss Bunch is the daughter of Mr. and Mrs. Lewis D. Bunch, 1855 Spring Ave., Granite City, and a recent graduate of Granite City High School.

Curricula Change Sought To Emphasize Careers

By JOAN MURARO
Copley News Service

Springfield — Those old first reader friends, Dick, Jane and Spot, may soon yield to Nancy Nurse and Al the Agribusinessman in Illinois classrooms.

A federal grant of nearly \$400,000 is being sought by the state office of vocational and technical education to continue two related but slightly different pilot projects aimed at changing elementary and secondary curricula to place new emphasis on careers and vocational counseling.

Sherwood Dees, state director of vocational and technical education, said the on-going projects, at Southern Illinois University and Northern Illinois University, have been used as the basis of an application which has been made to the U.S. Office of Education, seeking a \$382,790 grant, which is Illinois' share of \$9 million to be divided among states which qualify with plans for "meaningful, comprehensive, well-developed career education programs."

Though no decision has been announced by the federal office as yet, Dees said he expects "we will get the grant, one way or another, though we may have to adjust our initial proposal."

Emphasis in the two pilot studies, Dees said, is on recognition of new fields of work, such as public and personal services, health fields and expanded agriculture, now termed agri-business.

The concept that work is honest

orable will be stressed, as part of a changed attitude toward work and working, in texts from elementary classes upward, Dees said. At the earlier levels, the emphasis will not be on encouraging the child to select a certain career, but rather on introducing many new aspects of work.

In the field of "career education," Dees said, Illinois has been one of the leading states in adopting such approaches and has had approved programs heading in that direction for more than two years.

Touches All Fields
At the higher levels of education, the director said, the trend would be away from past emphasis on training programs such as home economics and production agriculture, and toward an expanded emphasis touching all fields.

Guidelines released by the Bureau of Adult, Vocational and Technical Information in Washington recommend that each state's projects should do one or more of the following:

- Place all students after school in a job, job-training or a baccalaureate program;
- Develop favorable attitudes about all aspects of the importance of work.
- Increase elementary students' awareness of career choices;
- Provide career orientation for junior or middle high school students;
- Provide job preparation for high school students.

Passbook Savings Accounts Explained

your money's yours
whenever you want it

You can deposit your money today, withdraw it tomorrow. All you do is fill out a withdrawal slip—easy as writing a check. So a passbook account is the perfect plan for money you never know when you'll need.

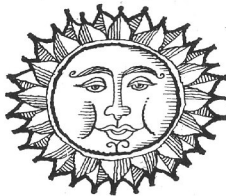

it's even safer
than a safe

Your account is insured for up to \$20,000 by the Federal Savings and Loan Insurance Corporation. You work hard for that money. And we don't intend to let anything happen to it.

you make more money
every day

We compound interest daily. So no matter when you deposit it, you'll have earned a little more money the very next day. And it all adds up to the highest interest allowed by regulation on passbook accounts.

5% INTEREST COMPOUNDED DAILY

If you Save Monthly	You'll have:	5 yrs.	10 yrs.	20 yrs.	30 yrs.

Quick, what is "Cat-Ox"?

1 A most unusual animal?

2 One of those sneaky crossword puzzle words meaning an ancient Himalayan moon god?

3 A scientific development that may mean cleaner air for all of us?

Cat-Ox is a new scientific process that promises cleaner air.

We've been working on the problem of removing the sulfur oxide emissions that occur when we burn coal to run our generators. Thanks to new developments, we are able to control particulate emissions from our generating plants.

We anticipate that the Cat-Ox System will remove over 99% of the particulate matter plus 85% of the sulfur oxides; the sulfur will be recovered as a marketable commodity: sulfuric acid.

Illinois Power, in cooperation with the Office of Air Programs of the Federal Environmental Protection Agency, is installing the Cat-Ox process in a unit at our Wood River Plant.

It will be the world's first such installation in a major power plant.

Cat-Ox, short for Catalytic Oxidation, is just one phase of the 29 million dollar investment we are making in clean air.

Abundant electric energy and a clean environment can be achieved. We're working to make it happen.

Free Physical Exams Set for 100 at Campus

In a special this week, the University Health Service at Southern Illinois University-Southwestern will provide free physical checkups for 100 members of the administration, faculty and student body, according to Dr. Ronald L. Wiggins, health service director.

The tests will be run on a new medical testing module called Computa-Lab, which checks 12 physical health parameters in a half hour without requiring the patient to remove any clothing, Dr. Wiggins said.

The patient is checked for height, weight, skinfold thickness, temperature, vision, hearing, lung and heart functions, blood pressure, pulse and respiration rates. A health history is part of the testing program with blood and urine specimens analyzed in the Health Service laboratory.

Dr. Wiggins said the purpose of the testing program is to emphasize the need for periodic physical checkups and to demonstrate a new method which eliminates two of the major reasons why people do not get checkups, time consumption and shyness.

A patient only needs to spend one-half hour with the actual testing and the inconvenience of undressing and dressing is eliminated. "These reasons are often given by patients after they have become critically ill," Dr. Wiggins said.

All test results will be confidential and only the Health Service physicians or physician authorized by the patient will be allowed to evaluate the results, Wiggins said.

"Preventive health care is a small investment that can pay off in big dividends," Wiggins explains, "and the payoff is keeping people well and productive and avoiding costly crisis medical care."

On Army Test Board

Army Specialist Four James E. Rains, son of Mr. and Mrs. Adrean E. Rains, 2210 Dewey Ave., has been assigned to the U. S. Army Aviation Test Board. He is serving at Fort Rucker, Ala., in Headquarters Company, as an avionics mechanic.

When your Wedding Day arrives, you will surely find that no other Wedding Day could be so lovely, so exciting. This is for you should be, for you are the center of attention.

Some couples in the past have tried to make their Wedding Day even more memorable. Whether it was in good taste or not, is a matter of opinion, but it is quite interesting to note that the first couple to be married in an airplane took their vows high in the air over Sheepshead Bay, New York on July 26, 1919. The Bride and Groom were in one plane and the Minister and a pilot in another.

The first Wedding to be televised was seen on what few TV sets were available on October 14, 1928 at Des Plaines, Illinois.

The list could go on and on, but surely your Wedding Day, even without these added frills will be the most exciting of all.

As a Member of National Bridal Service, we at Hudson's are especially prepared to make your Wedding as perfect as you wish it. We have the answers to help with your Wedding, your gift problems, or proper procedure. Why not come in soon?

Granite Chapter 650 Elects Top Officers

Mrs. Louise Meador and Cleveland Cox were elected to the offices of worthy matron and worthy patron, respectively, of Granite Chapter 650, Order of the Eastern Star, at a meeting Friday evening at the Masonic Temple.

Other officers elected to serve during 1971-72 were: Mrs. Rachel Larsen, associate matron; Walter Johnson, associate patron; Mrs. Mary Ellen Lewis, secretary; Mrs. Arline Fox, treasurer; Mrs. Betty McClintock, conductress; and Mrs. Cecilia Taylor, associate conductress. Appointive officers will be announced later.

Mrs. Marilyn Timmons, worthy matron, and Ray Pann, worthy patron, presided at the election meeting. It was announced the final initiation ceremony of the chapter's current year will be held at the next meeting.

Mrs. Ella Mae Smith was elected to receive the degree of the order. Guests of honor were Velma Penn and Joe Timmons. Refreshments were served to 80 members and guests in the dining hall, which was decorated in a Thanksgiving theme, following the meeting.

Jewish Customs Is Scout Topic

Dr. Stanley Maer was the principal speaker at the "Roundtable" meeting of the Uniwah District, Cahokia Mound Council, held last week at the Venice Recreation Center.

The local optometrist explained the meaning of the Jewish Chanukah (Hanukkah), displayed a Menorah and told the purpose in playing a game called "Dredel," which is a Jewish top.

At the conclusion of his talk, Dr. Maer stated the United Fund campaign is falling short of its goal and schools will be asked to make collections to assist in meeting the goal.

Cub Pack 107 acted as hosts for monthly meeting, using the theme, "Goodwill."

Mrs. Vee Throne gave a history of the Armenian flag. Assisting Mrs. Throne were Cubmaster Don Gray from Pack 8 and Robert Noud, Pack 21 committee chairman.

Instruction in different games was given by Pat Shible and requirements for the Webelos

The Schermer Bulletin...

Well, here we are a stone's throw from Thanksgiving. Normally we buy turkeys well in advance but this year we just didn't like the prices that were quoted to us. So we didn't buy, and a good thing for you. Tuesday we got a call. Could we handle a car-load (45,000) of Grade A turkeys? We replied, we can sell anything if the price is "right." Check this Thursday's Press-Record and you'll see how right "right" is. And remember, every turkey that we sell will be U. S. Gov't. "Grade A", the finest that you can buy.

Fresh Oysters will start arriving next Thursday. We go to a lot of trouble to handle fresh "bulk" oysters. They will be flown in to Lambert and we have to go pick them up on arrival. Those of you who bought them last year remember how big they were? We're getting the same kind, starting Thursday.

Remember us telling you about the "Black Strap Molasses?" We are ordering some books that tell all about the "benefits" of eating a little "Black Strap" every day. They should be in shortly.

NAMEOKI CUB PACK 46 WILL MEET ON NOV. 23

Cub Pack 46, sponsored by the Nameoki PTA, held its monthly committee meeting at the home of Mr. and Mrs. Robert Moske, 2584 Boyle Ave. Bernard Miller, who had been committee chairman and is now the cubmaster, conducted the meeting.

Announcements were made that Moske, who previously served as pack treasurer, will be committee chairman. New treasurer is Mrs. Nancy Webb.

Final arrangements were made for the pack meeting Tuesday, Nov. 23, at the school. Den Three, led by Mrs. Darlene Smith, will be in charge of the opening, and Mrs. Sharon Rogers' Den Four will handle the closing. Refreshments will be served by Den Five mothers under the direction of Mrs. Frances Finley.

attended the training "pow-wow" at Collidge Junior High School Saturday.

Plans were made for the December meeting, which will have a Christmas theme, and the pack "good will" project. The scouts will decorate boxes for canned goods, and the boys will participate in a gift exchange.

Refreshments were served to Mesdames Smith, Judy Ozier, Finley, Delores Rose and Alice Selph, Mr. and Mrs. Marvin Sipke, Miller and the hosts.

THANKSGIVING TOPIC OF THORNGATE GARDEN CLUB

The Thorngate Garden Club met with Mrs. Wanda Kincaid, Rural Route Two, for the November session. A dessert luncheon was served to the members. Table favors were square glass apothecary jars filled with candy. Centerpiece was a Thanksgiving turkey surrounded with green grapes.

The hostess conducted the meeting for the president, Mrs. Clara Schilling. Roll call was answered with information about water-storing plants.

Those present were Mesdames Lillian Delp, Mary Markham, Pearl Young, Beulah Miller, Pat Polley, Jean Bethel, Frances Polley and Betty King.

Mrs. Miller gave the reading for the day, "Thanksgiving," and offered prayer. Plans were made for several officers to attend the Granite City Business and Professional Women's Club's 50th anniversary dinner Wednesday night at the Army installation.

Reports were given and it was announced that the education materials on conservation were received by the club for presentation to Mitchell School during the school's annual "open house."

The group will hold its holiday party Dec. 15 at 11:30 a.m. at the Fleming Pit, Edwardsville. Mrs. Polley will be in charge and gifts will be exchanged. Mrs. Markham and Mrs. King will prepare table favors for the party.

Next regular meeting will be in January at the home of Mrs. Jackie Hackethal, Route Two.

CRAFT NIGHT TONIGHT

A "craft night" will be held tonight at 7:30 at the home of Mrs. Myrtle Hickman, 45 Terrace Lane, for members of the Isabel Bevier Unit of the Madison County Homemakers Extension Association. Instructions will be given on crocheted beads, Mexican embroidery and yarn and twine flowers.

The unit will be participating in a district meeting Nov. 18 at 7 p.m. at Hope Lutheran Church.

Isabel Bevier Unit will not have a business meeting in November and will observe the holidays with a party Dec. 9 at the home of Mrs. Hickman. Members are to bring their favorite cookies and recipes and will exchange gifts.

THANKSGIVING MOTIF

Mrs. Celeste Johnson, 2337 Iowa St., entertained the Thursday Evening Bunco Club with prizes presented to Mesdames Myrtle Ryan, Lorene

HOW SWEET IT IS! Joe Rice, 2044 Fourteenth St., proudly displays two of the 20 or more giant sweet potatoes which he and his wife grew in a field beside their home. Seven plants which they planted in June yielded a bushel and one-half of sweet potatoes.

Menzies, Angie Hartman, Alice Kestler and Myrtle Bruns. Refreshments were served to those named and Mrs. Louise Orr and Mrs. Louise Hutchings. A Thanksgiving motif was carried out in the table decorations.

The hostess's husband, Fred Johnson, entertained with organ selections. Mrs. Menzies will entertain for the next meeting in the home of Mrs. Hartman, 2300 State St.

THANKSGIVING THEME

The Jolly Eight Canasta Club met last week in the home of Mrs. Virginia Kittel, 1741 Maple St., with dinner being served upon arrival of the members.

A Thanksgiving theme was used in the table appointments.

Canasta filled the evening, with prizes awarded to Mesdames Mary Allen, Ruth Kowalski, Delores Riddle and Betty Allen. Others taking part were Mesdames Doris Hendricks, Mary Etta Wambaugh, Lucille Broyles and Donna Petras.

Plans were made for a Christmas party and gift exchange in the home of Mrs. Petras. Each member will prepare her favorite dish for the dinner.

CANASTA CLUB DINNER

The Canasta Club enjoyed dinner at the Colonial Supper Club last week. Canasta was played after the dinner by Mesdames Dorothy McCulla, Donna Petras, Lenna Williams, Marge Seibert, Helen Delay, Erma Blattner, Norma Robertson and Josie Johnsen.

Mrs. Blattner and Mrs. Williams were the winners. It was noted that a Christmas party will be held in the home of Mrs. Seibert.

REBEKAH INITIATION

The Delray 786 Rebekah Lodge last week. The Old Fellows hall with Mrs. Phyllis Landsaw, noble grand, presiding over a business session.

Initiation was held for Mesdames Dora Hulse, Althea Lassen, Pearl Woods and Lydia Henderson, who joined Delray and for Mrs. Mae Fields, Ann Rutledge Lodge 47.

Visitors were present from lodges in East St. Louis, Nameoki, Troy, Granite City and Collinsville. Officers of District 26 attending included Mesdames Emily Davis, Donna Courtney, Marge Stroyoff, Leota Taylor and Leo Mae Salmon.

Sixty refreshments were served in the basement of the hall. A Thanksgiving party will be held at the hall later this month.

BETHANY CLASS DINNER

Bethany Sunday School Class members of the First Baptist Church met last week at the home of Mrs. Vasta Williams to motor to the Roadway Inn for an evening meal. Mrs. Pauline Cory offered prayer prior to the dinner.

A business meeting was held and arrangements were made for a Christmas party in the educational building of the church Dec. 13.

Get well cards were signed for Mesdames Verna Willman, Della Rogers and Ruby Wood. The devotional was presented by Mrs. Nora Birtley on "Shoes for Happiness." She displayed a number of pairs of shoes to illustrate the topic.

Others taking part in the meeting were Mesdames Geraldine Stein, Thelma Richards, Mary Lassen, Bernice Whitten, Virginia Brassfield, Naomi James, Gertrude Ashford and Ethel Stone.

Official to Speak On Anti-Pollution

William Blaser, director of the Illinois Environmental Protection Agency, will speak Wednesday at Southern Illinois University-Southwest.

The public is invited to hear Blaser speak on "The Role of the Environmental Protection Agency" at 10:30 a.m. in the Communications Building auditorium.

Blaser was president of the management consultant firm of Blaser, Andersen & Co. before being appointed to head the state's prosecuting arm against polluters by Gov. Richard B. Ogilvie.

A graduate of Northwestern University in business administration, Blaser also attended Harvard Law School. He was a Republican member of the Illinois House of Representatives from 1965 to 1967 and president of the National Society of State Legislators.

The Environmental Protection Agency was formed July 1, 1970, to coordinate and reduce water, land and noise pollution, as well as protect public water supplies.

Board Approves Plans For Garages, Carport

The Granite City Board of Appeals approved requests for construction of two garages and a carport during its regular Tuesday meeting.

Approval was given to construction of garages at the homes of Harold McCafferty, 1708 Mitchell Ave., and Richard Vest, 2433 St. Clair Ave., both two feet from their property lines. Darrel Taylor was granted approval to construct a carport on his property at 2735 Dale Ave., two feet from the property line. All were informed that an approved gutter system must be installed on the buildings.

A request by Raymond O'Beir, 2001 Thirteenth St., was considered and action was delayed pending the submission of plans and further consideration of the proposal. O'Beir requested approval for the construction of a garage on his property. One officer was present at the meeting.

The approved requests will be presented to the City Council for final approval before permits will be issued.

To Publish Article by Dr. David Ault of SIU

An article by Dr. David Ault of the faculty of economics in Southern Illinois University's Business Division will be published in "The Review of Economics and Statistics." The review, edited by Dr. Henry Houthaker, former member of the President's Council of Economic Advisors.

Submitted "The Determinants of World Steel Exports," Dr. Ault's article gives the results of an empirical test of the effects on international trade patterns of differences in steelmaking technologies. Dr. Ault found that the major result is that foreign trade is adversely affected for countries who are not "early adopters" of new technologies, even if such countries have wage-cost advantages over other nations.

\$30,000 Suit Filed For Young Burn Victim
A suit for \$30,000 has been filed for Anthony Wallace, a minor, by his father, Bob Wallace, against Illinois Power Co. and the Granite City Housing Authority.

The complaint alleges that the boy, 5, was severely burned in an explosion when he dropped a match in a cigarette case containing gas pipes. Negligence was charged.

SOCIETY

Gabriel Shrine Honors Guest Officers

Mrs. Mary Lou Simmons, worthy high priestess and John DeHart, watchman of shepherds, Gabriel Shrine 78, Order of White Shrine of Jerusalem, presided at a meeting Thursday night at the Masonic Temple when district officers and guests from other chapters were honored.

Escorted and introduced were Mrs. Evelyn Calburn, District Deputy, Appollo's Shrine, Alton; Kathleen Gustin, special obituary, Gaspar Shrine, Wood River; Delbert McKisick, deputy supreme watchman of shepherds, and Richard Lanham, district chairman of membership, both of Gabriel Shrine. Each received a gift from the host chapter.

Others introduced were Mrs. Myrtle Muller, special obituary, Noel Shrine, St. Louis; Mrs. Rose Van Gels, supreme tableu, Pride of the West Shrine, St. Louis; Dr. T. W. Harrison, special obituary, Purity Shrine, Collinsville; and Mrs. Alma Brown, Cedar Shrine, Belleville, supreme flower girl.

Eleven past officers of Gabriel Shrine and two visiting past officers also were honored. During the business meeting, 19 new petitioners were elected to receive the degree of the order.

Approximately 70 members and guests attended and were served refreshments in the dining room after the meeting. Table appointments were in keeping with the Thanksgiving season.

Service League Program Wednesday

Dr. Robert Mandeville of the Illinois Bureau of the Budget will be one of three panelists from the Illinois Information Service to address an open meeting of the Granite City Republican Women's Service League at 8 p.m. Wednesday at Burns Cafeteria.

The program is open to the public. A \$1 admission fee will be charged adults attending. Those under 18 years old will be admitted free. Proceeds will be used to buy equipment for the Mental Health Day Clinic at St. Elizabeth Hospital.

A native of Jacksonville, Ill., Dr. Mandeville was graduated from St. Louis University with bachelor and master's degrees and received his doctorate in Business Administration at George Washington University. He is a former living officer in the U. S. Air Force and previously worked in aerospace study for private industry.

Prior to joining the Illinois Bureau of the Budget in 1969, Dr. Mandeville spent seven years with N.A.S.A. He has been a speaker with the American Management Association in Boston, New York and Washington, D. C.

Homemaker Units to Hear Panel

The Southwest District of Madison County Homemakers Extension Association, consisting of three Granite City units—Isabel Bevier, Trio and Granite City—will hold a semi-annual meeting at Hope Lutheran Church, 3715 W. 4th St., Thursday evening. The meeting will start at 7:30 p.m., with registration beginning at 7 o'clock.

The Panel of American Women, a national organization designed to fight prejudice and animosity among peoples, will present a special program based on the topic, "How All Prejudices Will Effect Each of Us."

Also included on the program will be a presentation describing activities and projects at the Shriners' Hospital for Crippled Children and the Shriners' Burns Institute. The latter segment will be given by the Aina Shrine Temple Hospital Unit.

Members of the three local homemaker units are reminded to bring a "white elephant" gift for a silent auction. Guests are invited to attend and refreshments will be served.

Winter Carnival At Sacred Heart

The second meeting of the school year for Sacred Heart School parents took place last week, with the president, Jerry Walker, presiding. Plans were discussed for a winter carnival.

The president explained the "festival of learning" held over the weekend and said that educational learning material was on sale. Walker expressed appreciation to workers of a rummage sale, including Mr. and Mrs. Vernon Vasquez.

The carnival is set for Dec. 3 from 5 to 9 p.m. and will feature game booths, gift stands and a fish fry. Tickets will go on sale soon and also may be purchased at the door.

Santa's workshop will feature almost new toys and home-made gifts. An arts and crafts booth will be operated by Junior Girl Scout Troop 559.

Walker announced that at 7:30 p.m. and fathers are to be at a meeting Wednesday at 7:30 p.m. for final arrangements for the carnival. A dance set for Dec. 11 has been canceled.

Refreshments were served in the cafeteria by seventh and eighth grade room mothers.

T.E.L. Class Plans Projects

The T.E.L. Sunday School Class of First Baptist Church met for a 12:30 o'clock luncheon Thursday afternoon at the home of Mrs. Maureen Cox, 301 Warren Road.

Mrs. Marie Allen, Outreach leader, gave the devotional topic, "Why Some Don't Understand."

Plans for a Christmas party and gift exchange were made. The event will be held at the home of Mrs. Wilma Hudson, 2140 Grand Ave., with members to bring fruit for gift baskets for shut-in members.

Projects during the current month will include contributions to Thanksgiving baskets, to be given needy families, and assistance at the Senior High School Sunday School Class bake sale.

Others attending the luncheon were Mesdames Fern Affolter, Gwen Hough, Shirley Stark, Virginia Head and Barbara Shanks.

Stolen Items Returned

Donna Ryan, 3302 Kirkpatrick Homes, reported Thursday that a set of curtains and a baby swing stolen from her apartment were later returned. There was no forced entry.

A NEW LOOK is taking shape at Ruth's Store, 1316 Nineteenth St., in an extensive remodeling project. Exterior work has been completed and interior remodeling is continuing. The store was opened April 15, 1956, by Mrs. Ruth Rubin and the late Harry Rubin. It has been operated by Martin and Ruth Zucker since 1962. "The current remodeling is a show of confidence in downtown Granite City," Mr. Zucker said.

Display of New Plates Illegal Before Dec. 1

Secretary of State John W. Lewis warned Illinois motorists this week that state law prohibits display of 1972 license plates before Dec. 1.

Motorists who mount the 1972 plates on their vehicles prior to that date are subject to arrest, he pointed out, and advised those who may have put plates on their cars to remove them and substitute the 1971 plates for the balance of November.

More than 250,000 plates representing reassigned numbers have now been mailed, Secretary Lewis said, adding that all 320,000 reassignments will be mailed by Dec. 1, a first in the history of the Secretary of State's office.

The improved service was made possible by the acquisition of sufficient warehouse space to store a year's supply of plates, Lewis said. Previously, plates had to be accepted from the manufacturer in groups because of limited storage space.

Drop in Chicago Crime Due To Good Work by Police

By LIEUT. GOV. PAUL SIMON

Perhaps you have seen the headlines about a federal investigation of possible corruption on the part of some officers in the Chicago Police Department.

Corruption among either appointed or elected officials anywhere must be stopped, but there is another side to the coin that does not make headlines, and that is the good work done frequently at great risk by the large majority of policemen in Chicago and other cities and counties in our state.

The most recent report of the FBI has some reasons to cause us to commend the Chicago police.

The new figures rank the 56 American cities with populations over 250,000 according to "index crimes per 1,000 population" for the first six months of 1971.

"Index crimes" include murder, rape, robbery, serious assault, burglary, theft over \$50, and auto theft.

For this period Chicago, though ranked second in population, was 14th in index crimes per 1,000 population, with 17.8.

San Francisco was highest, with 40.9. Cities in nearby states included Detroit 40.2, St. Louis 33.8, Cleveland 27.9, and Louisville 23.6.

In Fifth Ranking
Of the six cities with one million or more people, Chicago had the fifth ranking. Only Philadelphia, at 14.3, was lower.

Four of these six cities showed increases compared with the same six months last year. Philadelphia was up 34.3%, Los Angeles 9.9%, New York 7.6%, and Detroit 4.2%.

Only Chicago, down 1.9%, and Houston, down 1.4%, reported decreases.

In Chicago, auto theft decreased 12.3%, serious assault 7.7%, theft of more than \$50 7.4%, rape 2.8%, and murder 1.6%.

Robbery increased 3.7%, and burglary increased 10.9%.

Even the decreased figures are much higher than any of us want them to be, and we must strive in positive ways to make them lower.

As encouraging as these overall trends are for our state, we have paid a high price for law enforcement, both in dollars and in human sacrifice.

In October, 1969, Attorney General William Scott's office administered a fund for \$10,000 payments to the families of Illinois police officers and firemen killed in the line of duty.

Since then, that office has had the sad duty of awarding these benefits to the families of 17 Chicago policemen.

Fourteen of the men died of gunshot wounds, one was killed by a hit-and-run driver, one died after being struck by a suspect he was attempting to apprehend, and one died of a heart attack after being assaulted by a suspect.

The lives of courageous police officers are a high price for the control of crime.

But we will continue to pay the price until we have dealt with the many conditions—among them overcrowding, inadequate educational opportunities, and unemployment—which breed crime and claim the lives of good men.

In the meantime we can recognize the good work being done by most policemen, not just the unhappy headlines a few cause.

Motor Firm, Explorers To Sponsor Road Rally

The Lincoln-Mercury Division of Ford Motor Co., and the Explorer Division of the Boy Scouts of America will conduct an Explorer Grand National Safe-driving road rally in each of the 501 Boy Scout Councils across the country.

The Cahokia Mound Council here will conduct its rally Nov. 27.

A rally school will be conducted Wednesday by instructors of the Sports Car Club of America. The session will be held at 8 p.m. in the Science building of SIU-SW, room 224.

All participants are required to attend the Wednesday session. To be eligible a person must be a registered Explorer, under the age of 21, hold a valid Illinois drivers license (or learners permit) and have auto insurance.

A \$3 registration fee is required, to be paid at the local Boy Scout office, 1358a Nidringhaus Ave., by 5 p.m. on Wednesday.

The rally itself will start at the Fairmont Race Track parking lot, a 100 mile route, with several checkpoints, has been developed.

Registration Limited
Registration will be limited to the first 35 teams. Each team will require a driver, a navigator, and an observer.

Large engraved trophies will be awarded to the three teams finishing first, second and third. All participants will receive a road rally emblem.

An awards dinner will be held following the event. Marie Arne of Granite City, a member of the council Explorer committee, is chairman of the event. He is being assisted by Dave Wilson, council explorer chairman, and Bob Winschell, professional advisor, to the Explorer committee.

Membership in the organization is based on participation in academic and extracurricular activities, citizenship, service to the school and scholarship.

To be eligible, each student must be registered at the time of nomination and must be expected to receive his degree between the dates of September 1971, and June 1973.

His essay was also entered in district and state competition and was first in the state. He is a student at the Lewis and Clark Community College. Second place in the adult division was William Naeve of Alton and third, Davidizzo of Godfrey.

Both are students at Lewis and Clark.

Mrs. Debra Stille of Alhambra was first place winner in the high school group and her essay also went on to be a district winner. Second went to Donna Falconner of Highland and third to Anita Ciscorn of Collinsville.

In the junior high group, first place winner was Alene Mossa of Madison. A tie for second place was awarded to Jo Arne and Melanie Rees, both of Granite City.

Grade school winner was Cathy Sandoy of Collinsville, with second place going to Michelle Mudd of Granite City and Matt Brund of Alton.

Edward Carpenter, director of public safety in Edwardsville, told of his experiences as an FBI agent and recommended the contest participants of their interest in "Law and Order" which was the theme of the essays.

Judges for the contest were Don Rikli, Highland attorney, Mrs. Clara Long, homemaker from Edwardsville, and Mrs. Anna Albrecht, a retired school teacher from Alhambra.

Following the awards program, the Farm Bureau women's committee, of which Mrs. Waldo Keilbach of Highland is chairman, served refreshments.

Miss Deborah Moore Wed At Nameoki Methodist

The marriage of Miss Deborah Sue Moore, a daughter of Mr. and Mrs. Edwin L. Moore, 33 Bermuda Lane, and Michael Lee Griffith, a son of Mrs. Benjamin Clark, 2008 Buxton Ave., and Andrew Griffith of Sappington, Mo., was solemnized Oct. 26 at the Nameoki Methodist Church.

The Rev. Don Smith of Elgin, Ill., performed the 7:30 p.m. ceremony, assisted by the Rev. William Fester, pastor of the Nameoki church.

Given in marriage by her father, the bride chose a pure white gown of delustered satin fashioned with an Empire bodice of Chantilly lace with a high neckline and long full sleeves. Lace motifs were applied on the skirt and around a ruffled flounce at the hemline.

A profile headpiece of lace secured her veil and cathedral length train, edged in matching Chantilly lace. She carried a nosegay bouquet of blue pom poms, stephanotis and baby-breath.

Miss Charlotte Moore, a sister of the bride, was maid of honor, serving with Miss Joan Meyer, Miss Pat Jenkins, Miss Dean Loyt, and Miss Vicki Moore, another sister, bridesmaids.

They were dressed alike in royal blue hot pants ensembles.

The brides featured a scoop neckline and long tapered sleeves. An overskirt of printed chiffon gave the ensembles a formal look and they were worn with white boots. Each attendant carried a cascade bouquet of blue pom poms and baby-breath.

Tamara E. Moore and Tracy L. Moore were flower girls and Scott Cope the ring bearer.

The girls wore long white velvet gowns created in Victorian style to match the bride's dress and white net headpieces were held in place with pearl leaves.

Bruce Clark was best man. Gary Baumgartner, Brad Roberts, Melvin Griffith, Benny Clark, Charles Thomas and David Byrne completed the corps of groomsmen and ushers. Bruce and Todd Moore, nephews of the bride, lighted the candles preceding the ceremony.

A buffet dinner was served in the church fellowship hall following the ceremony. The groom's parents were host at a rehearsal dinner given at Rod Erick's restaurant.

Both young people are graduates of Granite City High School. The former Miss Moore is attending Joseph's School of Beauty Culture and the groom is serving with the U.S. Navy.

After Jan. 1, newly weds will move to Hawaii where they will live for two years.

Out-of-town guests here for the wedding were Mr. and Mrs. Ray Wood, Mr. and Mrs. Earl Wilkinson, Mr. and Mrs. Larry Wilkinson, Mrs. Almorine Wilkerson and Mrs. Ruth Rodgers.

Mrs. Moore chose for her daughter's wedding, a long Victorian-style dress with sheer white bodice and a long black velvet skirt featuring a high rise waist. An embroidered band of yellow and beige encircled the waist and edged the hem of the skirt. She wore a yellow rose corsage.

The groom's mother selected a purple three-piece knit suit ensemble with a scoop neckline, complemented with beige and purple accessories. Her corsage was of white roses.

Mr. AND MRS. MICHAEL GRIFFITH, whose wedding took place at Nameoki Methodist Church. The bride is the former Miss Deborah Sue Moore, a daughter of Mr. and Mrs. Edwin Moore, 33 Bermuda Lane.

Easter Seal Unit Seeks Members

The Easter Seal Auxiliary, Granite City Chapter, discussed a current membership drive at a meeting Thursday night held in St. Joseph's Church basement. Nine members attended.

Mrs. Jane Heil, president, stressed the need to recruit more members in the organization to assist with activities relating to the crippled children's program of the Easter Seal Society.

One of the main projects of local members is providing needed items and equipment for the Tiny Tim Nursery School at Central Christian Church. They also work at the Easter Seal summer camp held each year at Monticello College in Godfrey.

Any Quad-City resident interested in helping with the program for children is asked to contact Margaret Minzes, at 876-2850, or Norma Kinder, at 931-0893.

Also planned was a bake sale to take place Dec. 11 at Schermer's Market in Madison. Mrs. Heil announced that members are selling Tiny Tim Christmas cards, priced at 10 cents each. Proceeds from both projects will be used for the local nursery.

Hostesses for the meeting were Mrs. Norma Jones and Mrs. Betty Mertz. The next meeting will be a Christmas party Dec. 9 in the home of Mrs. Hazel Jones.

OPEN HOUSE AT WEBSTER SCHOOL

Webster School held "open house" last week giving parents an opportunity to tour the facilities, visit their children's classroom and view current work of the pupils.

A short PTA business meeting was conducted by Mrs. Shirley Tervasi, president, with reports given by Mrs. Peggy Herzog and Mrs. Mary Bellott.

Among the projects discussed by the group were plans to donate \$5 to each Girl and Boy Scout troop sponsored by the PTA and tentative plans for a school skating party.

The Webster PTA also will purchase a Christmas tree and the students will furnish decorations in time for the Dec. 13 meeting.

The class attendance prize went to Mrs. Lydia Aberli, a second grade teacher, and to Mrs. Barbara Blackburn.

NAMEOKI PTA TO HEAR LEARNING TOPIC TUESDAY

Mrs. Margaret Mulach of Nameoki Grade School's learning center will be guest speaker at the November meeting of the Nameoki PTA at 7:30 p.m. Tuesday. Theme of the program will be "Happiness Is A Good Education."

Mrs. Carolyn Moske, membership chairman, reported that an enrollment control will conclude at tomorrow night's meeting.

Classrooms reaching a 100% membership goal will receive a \$10 cash award from the PTA unit. Refreshments will be served after the program.

JR. RAY VIEW HEARS MAYFLOWER BOOK REVIEW

Miss Grace Costello gave a review of the book, "Log of The Mayflower" by Philip J. Hill, at a meeting of the Junior Ray View Reading Club Friday evening in the home of Mrs. B. J. Davis of Rural Route 2.

After the meeting, Mrs. Davis served a dessert luncheon to Mesdames Marge O'Neil, Helen Matson, Marguerite Loxow, Alice Hunsinger and Peggy Koepfer.

MEETING FOR PACK 107

'Black Cat' Dinner at Maryville

The second annual "Black Cat Barbeque," sponsored by Maryville School PTA, will be Friday at the school, located at 4881 Maryville Road, with service from 4 to 8 p.m., according to Norman Hall, PTA president.

Mrs. Joyce Schrader, ways and means chairman, and a committee have prepared a menu to include barbeque beef sandwiches, potato chips, soft drinks and homemade pumpkin pie. Donation will be 75 cents each for both children and adults. Carry out orders will be available.

All proceeds from the project will be used to purchase play and ground equipment and visual aids materials to be used at the school.

COMETS 4-H CLUB STUDIES EMBROIDERY The Comets, a newly formed local 4-H Club, a branch of the Madison County 4-H organization, met Friday afternoon in the home of Mrs. Alberta Hoge, 2114 Ohio Ave., to study the 4-H emblem and instruction on embroidery.

After the meeting, the members played records and danced. Mrs. Hoge also visited with Mrs. Gussie Phillips, a former mathematics teacher at Granite City High School, now living in New York.

White away, Miss Lynch was the house guest of her brother, sister-in-law and family, Mr. and Mrs. James H. Lynch of Alexandria, Va. She also visited with Mrs. Gussie Phillips, a former mathematics teacher at Granite City High School, now living in New York.

Mr., Mrs. Rutkowski Mark 50th Anniversary

Mr. and Mrs. Michael Rutkowski, 713 Washington Ave., Madison, observed their 50th wedding anniversary Saturday by renewing their wedding vows at a Blessing Service and Mass at Sacred Heart Polish National Catholic Church, 930 Reynolds St., Madison. A reception followed at the Polish Hall in Madison.

Both Mr. and Mrs. Rutkowski are natives of Poland. The couple attended a 3 o'clock service performed by the Rev. Edwin Phillips, pastor of the church, who was assisted by the Rev. Zbigniew Zazubski, pastor of a Polish Church in St. Louis, and the Rev. Wilbur Lear, pastor of St. Bartholomew Episcopal Church in Granite City.

Mr. Rutkowski came to the United States and settled in Madison in 1913. His wife, the former Elsie Proznka, arrived in Madison in 1921.

The couple attended a 3 o'clock service performed by the Rev. Edwin Phillips, pastor of the church, who was assisted by the Rev. Zbigniew Zazubski, pastor of a Polish Church in St. Louis, and the Rev. Wilbur Lear, pastor of St. Bartholomew Episcopal Church in Granite City.

They were married Nov. 8, 1921 at St. Mary's Church in Madison by the Rev. Wozniak. During Saturday's church service, Mrs. Angie Macios accompanied the church choir and Mrs. Sophie Krinski, soloist, who sang several Polish songs.

Attendees to the couple were Mr. and Mrs. Thomas Reichert of Dallas, Tex.; Mrs. Reichert, a sister of Mrs. Rutkowski was maid of honor at the wedding 50 years ago.

Mr. Rutkowski is 76 and his wife is 68. They have three sons, Walter, Michael and Stan-

ley Rutkowski and one daughter, Mrs. Helen Szczepanik, all played in the hot strip at Granite City. The couple also has 19 grandchildren and three great-grandchildren.

Both the honorees retired in 1961. Mr. Rutkowski was employee City Steel Co. Mrs. Rutkowski worked for Missouri-Pacific Line Railroad.

A reception was given by the couple's children at 6 p.m. Saturday in the Polish Hall. More than 400 guests attended the celebration. Several out-of-town guests came here from Michigan and Texas.

MORE ABOUT Independents

either Democrat or Republican candidates in Granite City District 20.

Election races between incumbents in district 20 are Granite City, all filling as Democrats, include:

District 12 (Wood River area) Robert L. Ford of Wood River, incumbent board member and James Ufert, Wood River.

District 2, Mrs. Pearl Schoeck Peters, St. Jacob, supervisor of St. Jacob Township, and Paul O. Riebold, Troy, supervisor of Jarvis Township.

District 29, Michael Pellegrini Alton, and Mrs. Frances M. Roberts, Alton, both incumbents.

District 29, Michael Pellegrini and Frank Vivod, both of Collinsville and both incumbent assistant supervisors.

Landolt's failure to seek election as county board member from his district lends support to reports by some political sources that Landolt will lend his political support to election of Hagmann as board chairman after the elections. These sources say that in return, Hagmann will appoint Landolt to a high post.

Under the redistricting plan, the county board will be reduced to 29 members from its present 40, with one member elected from each of the 29 re-districted areas.

Both the primary on Feb. 8 and the election on April 4 will be conducted with paper ballots, according to Miss Hotz.

Seven Hurt in Two Weekend Auto Crashes

Five persons were injured in a two-car crash on Route 3 at Route 151 at 10:40 a.m. Friday, and two men were injured in a crash on Route 111 near Lakeside Airport at 1 a.m. Saturday.

The northbound car of Carolyn M. Malherck, 37, of 1308 Robin St., Venice, and the eastbound car of Lawrence Markham, 76, of Rural Route 2, Box 838, southbound and turning left, collided on Route 3 at its junction with Route 151 Friday, injuring the drivers and three passengers, State Police reported.

Mrs. Malherck was treated at St. Elizabeth Hospital for contusions to her head and left forearm and hematoma to both knees.

Two passengers in her car, Mrs. Angela Udell, 63, and Mrs. Alfreda May, 59 also were injured. Mrs. Udell was treated at the hospital for abrasions and contusions to her forehead and right hand and hematoma to her right knee. Mrs. May complained of injuries but declined hospital treatment.

Markham was treated for an abrasion and contusion to his left knee. His wife, Mrs. Mary Markham, 68, sustained abrasions and contusions to her face, nose and right eyebrow and contusions to her right ribs, left wrist and right lower leg.

They were released following treatment and x-rays.

In another accident, Raymond J. Deconcini, 33, of Collinsville, and Mac B. Caby, 44, of Collinsville, Ill., were injured when their vehicles collided on Route 111 near Lakeside Airport at 1 a.m. Saturday.

Deconcini was taken by ambulance to St. Elizabeth Hospital where he was admitted with a facial cut. He was in good condition today. Caby was injured but declined hospital treatment, police said.

JAMES CHOMKOS NAME
2ND SON CARL ALAN

Mr. and Mrs. James Chomko, 3017 Ramona Drive, are announcing the birth of their second son on Saturday at St. Elizabeth Hospital.

The new arrival weighed eight pounds, 14 ounces and has been named Carl Alan. He was born on the third birthday of his brother, James.

It's been most discouraging to have to face that fact, for we had looked forward to mom's retirement years as a time when we would be able to enjoy our own to take care of. She never asks for anything nor does she show or say thanks. She demands more and more every day.

I could write a book on my sister's and my frustrations as well as my mother's sisters and cousins and how her poor dog tried to help her in spite of herself. And mother refuses psychiatric help so all we can do is our best to try not to mourn over her loss and ours.

Today when I read your wonderful individual devotion and attention is my mother's goal there are many mothers, fathers, aunts and uncles who would love to have even a little bit of genuine love and attention.

Between being the sole support of three children and contributing to mom's supplementary support, I have very little money and not much free time. But how much better I will feel inside if I can make someone else's mom or dad happy by taking them from their confinement for a ride of an hour or two, or sit by their bedside and talk to them and listen and learn from them.

Even though my efforts with my own mother are so sad and discouraging, I needn't quit there. I can still do things for my mother and make someone else happy too. The two extremes should make for a happy balance of effort and achievement.

Thank you, Nana, for helping me see a way out of my problem.

Dear Nana -- Volunteer Work Can Ease Frustration; Legal Advice Available

By JACKIE STEFANICH
Copley News Service

Dear Nana: Your column has given me a great inspiration. I just made appointments to talk to the administrators of two local rest homes about doing volunteer work for them.

For several years my problems with my mother have been very depressing and frustrating. I continue to do all I can for her as do my two sisters, but no matter what or how much we do for her it's never enough. We've tried everything we can think of yet nothing makes her happy, useful woman she's capable of being.

I've been most discouraging to have to face that fact, for we had looked forward to mom's retirement years as a time when we would be able to enjoy our own to take care of. She never asks for anything nor does she show or say thanks. She demands more and more every day.

I could write a book on my sister's and my frustrations as well as my mother's sisters and cousins and how her poor dog tried to help her in spite of herself. And mother refuses psychiatric help so all we can do is our best to try not to mourn over her loss and ours.

P. L.
Dear P. L.:
It is I who should be thank-

ing you for your inspiring letter. And I'm sure there are a great many others who have experienced your problem in dealing with their aged families.

Taking care of your own elderly parents is one of the most difficult jobs there is. I only hope that those who may be faced with a similar situation will be guided by your rewarding solution.

I certainly don't say it's a cure-all but in helping those less fortunate it sometimes does solve many different problems.

Dear Nana: I just finished reading your article about Ann Adams who's a police victim and draws beautiful picture cards with her teeth.

I didn't know that she spent so much time in an iron lung. But I did know she's completely paralyzed.

I too have been paralyzed from the breasts down since 1966 and I'm somewhat of a commercial artist. Unfortunately I was told by the critics that I didn't have enough talent so I became discouraged and didn't try any harder.

I guess I spent too much time feeling sorry for myself. Now I only draw occasionally for my own amusement which isn't very often.

However, I certainly admire Ann Adams and wish I could do as well as she has.

And just hearing about her once in a while makes me realize I'm not so bad off. In 1970 I married a wonderful man so I have a great deal to be thankful for.

No Talent: I guess I'm because I can't draw a straight line with a ruler that I think it's such a shame to see talent regardless of the quality go to waste.

And the best cure I know of for feeling sorry for oneself is helping others who are less fortunate.

Have you ever considered doing volunteer work for the hospitals, rest homes, nursing homes, convalescent hospitals or retarded children's schools? I'm sure any of these organizations would greatly appreciate your limited artistic talent in instructing those who have so much time on their hands in arts and crafts.

And although I don't know if your handicap would prohibit your doing this type of work, I do know the need for it.

I certainly enjoy reading your column in our paper. And, I'm writing you in the hope that you can advise me what to do about our problem.

We don't have any money for attorneys so we don't know who to turn to. Any help you can give us will be greatly appreciated.

Last September I had a serious operation which I really haven't recovered from yet. My insurance didn't cover the hospital or doctor's bills so I've been paying what I could each month on them.

The hospital bill alone was over \$1,000 and as I can't pay it all within 30 days, they are going to sue us.

My husband and I both are on Social Security and he also gets help from the state.

I took my Social Security at the age of 62 because at the time I'm going I'll never see 65. Even if I were able to go to work I couldn't as my husband needs constant care.

We still owe a mortgage on our home and we have it mortgaged. We can't afford to refinance or borrow on our home. It's all we have.

Will you please tell us what they can do to us and what we can do?

Dear Mrs. H. D.: As I don't know the particulars that created your financial problem, it's difficult to advise you without this information.

Therefore, I recommend that you contact your local Legal Aid society, for advice pertaining to your forthcoming legal suit, and the department of social services in your area for financial assistance. There's a possibility that you might be eligible for the A.T.D. (Adm. Totally Disabled) program.

Questions on problems of the elderly may be sent to Copley News Service, P.O. Box 190, San Diego, Calif. 92112.

Executives of can-manufacturing companies, breweries and soft-drink producers will visit Granite City Steel Company's basic oxygen furnace plant today to witness a demonstration of the feasibility of recycling old steel can into new steel.

This is one of a series of full scale production demonstrations of the remelting of compacted cans being conducted at plants of the National Steel Corp., one of the nation's largest producers of steel for cans. National's research programs and production demonstrations are showing that both tin-free and tin plate steel cans can be remelted into new primary steel satisfactory for all product applications.

Granite City Steel has been participating in this program since its merger with National Steel earlier this year. Ten tons of steel beer cans - about 200, cans have been obtained for the recycling demonstration demonstration from Anheuser-Busch, Inc. The cans will be charged into a BOF furnace at the beginning of a heat.

Nicholas P. Veeder, chairman of Granite City Steel, pointed out that the steel industry in 1970 produced 131.5 million net tons of raw steel while consuming nearly 70 million tons of scrap iron and steel, of which 29 million tons were purchased from scrap dealers, brokers and others.

"The steel industry traditionally has consumed a larger proportion of recycled materials than any other basic materials industry," Veeder said. "The demonstration today will underline our ability to successfully recycle large volumes of steel cans and bi-metallic cans. The amount of steel melted each year is of such magnitude as to easily accommodate the recycling of every can which can be returned to the mills."

The tin cans were to be charged into the BOF furnace at Granite City Steel at approximately 2:10 p.m. and the charge in the furnace refined into high quality carbon steel in approximately 45 minutes.

In Memoriam
In memory of ANNA HARTZEL.
Dear Mom:
To know you was to love you, that's what they softly speak. But to have you for my Mom, was a very special treat.
God put in extra effort when he made your dear sweet smile, and he only gave you to us for a little while.
And then he took you back, with not too much of pain, but our great loss—was heaven's biggest gain.
Now your hurts and tears are over and you are now at rest. We look back and say to God, we had the very best.
A piece of all our hearts are missing, but we know where they can be found—your heart is missing, but we know where they can be found—your heart is missing, but we know where they can be found.
And some day in that lasting peace we'll see you one by one. To get that piece of heart you took from your daughter, sons, and family.

John Kenner, 63, Dies Suddenly

John "Buck" Kenner, 63, of 2211 Lindell Blvd., a 39-year resident of Granite City, was pronounced dead upon arrival at St. Elizabeth Hospital at 10:40 p.m. Sunday.

He was taken by ambulance to the hospital from the Ice Rink at Wilson Park where he was on duty as an ice guard. According to a police report Mr. Kenner asked to be relieved when he became ill. He collapsed later and the Granite City Fire Department inhalator unit was called.

Mr. Kenner had been treated for a heart condition. An inquest will be conducted.

He was born in St. Louis. A member of the First United Presbyterian Church, he also belonged to Masonic Lodge 835 where he was a past master, and also an honorary member of Masonic Lodge 877.

For many years Mr. Kenner was a fuel oil distributor in the Quad-City area.

Surviving are his wife, Mrs. Irene Kenner, and one son, William P. Raub of Ladue, Mo. Arrangements are given in today's obituary column.

Wm. R. Highfield, 68, Dies; Here 51 Years

William Russell Highfield, 68, of 4936 Lakeview Drive, a retired watchman for the Pinkerton Agency, died at 9 a.m. today at St. Elizabeth Hospital. He had been hospitalized for one week following a 10-year illness.

Born in Auburn, Ill., Mr. Highfield had lived in the Quad-Cities for 51 years.

Surviving are his wife, Mrs. Hazel Highfield; his mother, Mrs. Christina P. Highfield of Granite City, and two sisters, Mrs. Harold (Lena) Wutzler of Wood River and Mrs. John (Alice) Suhre of Granite City.

Arrangements are given in today's obituary column.

Edward H. Myer, 69, Dies, Former Principal

Mr. Edward H. Myer, 69, of Overland, Mo., a former school teacher and principal in Granite City from 1933 until 1943, died suddenly of a heart attack while visiting a friend in St. Louis at 4 p.m. Sunday.

He is survived by his wife, Mrs. Mary Myer; one sister, Mrs. Leona Metcalf of Fredericktown, Mo.; and one brother, Wesley Myer of Santa Cruz, Calif.

Funeral arrangements are pending.

meeting will be held at Burns' Cafeteria.

The speakers will include Dr. Robert Mandeville of the Illinois Bureau of the Budget, Herbert Brown of the Illinois Bureau of Investigation, and Theodore M. Kavados of the Illinois Department of Conservation. Each will speak for 10 to 15 minutes on the operation of his department, then answer questions from the floor.

Admission will be \$1 per person for adults, with no charge for those 18 or under. Proceeds will go to the Mental Health Day Care Hospital. Tickets may be obtained from any club member or at the door.

A bill to divide the Madison and St. Clair County sections of the East Side Levee and Sanitary District was sent by the Senate Executive Committee to a subcommittee for study as the General Assembly went into its final session late last week.

The subcommittee is to make a report to the Assembly not later than April 15 during the legislative session that convenes in January. Senator Sam Vadalabene, D-Edwards, said the action keeps the measure alive rather than permitting it to die in committee as the 1971 assembly session adjourned.

A bill under which a \$3.3 million regional state office building will be constructed in downtown East St. Louis is expected to be signed this week by Governor Ogilvie, who received approval and House concurrence in amendments.

At the same time, William Nichols, operator of the Nichols Net & Twine Co., who offered the state, without charge a centrally-located tract of land at Route 111 and State A Road 33, was informed that his offer cannot be accepted.

Frank Resnick, acting director of the Department of General Services, told Nichols by letter that a "very thorough study" indicated East St. Louis as population center in which the building should be located. The letter said the economic development of East St. Louis would be "greatly enhanced" by the building.

The Salvation Army Home League will serve dinner at the advisory board meeting to be held Tuesday at the Citadel, 19th Street and Grand Avenue, at 6:30 p.m.

production rates at any plant on your system which may be temporarily pitched.

"In short, we can consider this fleet a promising new tool that will increase our ability to load our plants efficiently and operate them at the most economical levels."

"Today, the American steel industry is challenged as never before in its history to take action which will maintain and improve its position in domestic and world markets. This requires intensive and imaginative efforts to improve productivity, increase utilization of facilities and to reduce costs of production."

"Savings in transportation costs are as useful as any others. And since we must transport about 3.5 tons of raw materials to produce one ton of primary steel, our opportunity for savings in this area plainly is enormous. We anticipate further significant development in this area."

Pontoon

tion are only suggestive, it was pointed out.

"I will vote for it as an ordinance if the attorney approves," Dr. Rochester said.

The controversy over installation of a drainage system between Victoria and Pontoon-bledrives in Lakeview Estates remained unsettled. Only one bid for the work was received and the board members indicated the estimate was more than the village could spend.

The bid from Ed Gerdes Excavators was \$6,722 for the installation of an 850-foot underground metal pipe system, and \$7,905 if concrete pipes were utilized.

Install Catch Basin

Stacoiff suggested the bid be held for consideration of a catch basin be connected to the 18-inch tile at the end of the block which would drain most of the area. "It will be only a temporary measure, but might alleviate some of the problem until we can decide on another course of action," Stacoiff said.

Rever Opposed

Dr. Rochester moved the catch basin be installed and all members except Rever voted in favor. Rever voted against the plan.

"I will not vote for anything that will not do the job. The area needs an underground drainage system and it should have been put in this summer when I had village employees who could have done it for \$3,000," he said.

A four-inch hole in the drainage tile is the only drainage for the flooded area now.

Rochester warned against extending the drainage project. "Since this bonding report, I have watched spending grow from \$10,000 to more than \$50,000 per year and as much as we may want to help these people, we just can not spend money we do not have," he said.

Board members agreed to investigate the possibility of a contract with a trash collection service for the village. "At the present time, there are four or five different big trucks here each week and an average of 100 cars on our side streets," Rever commented in making the proposal. "It is even possible the village may gain some revenue from this," he added.

Authorize Stop Signs

Rever was authorized to purchase several stop and yield signs for the village which will be erected when ordinances for them have been passed. The number of signs needed will be determined by a police department survey of streets.

A resident of the village requested the board obtain pull binder books for the next election so that election officials will be able to easily determine which voters are eligible and which reside outside the village limits. A map which will be used during the last election was disputed as incorrect, resulting in charges the ineligible voters were allowed to cast ballots.

The board agreed to investigate the cost of a pull binder book which would list the names of all village voters.

The regular date of the next meeting is on Thanksgiving so the board will hold the meeting the following evening, Friday, Nov. 26, at 7:30 p.m.

NEW STATE BAPTIST HEADQUARTERS. The
Illinois Baptist State Association dedicated this
new \$1.5 million headquarters building in Springfield
Thursday at the association's 65th annual conven-
tion. Governor Richard B. Ogilvie brought greet-
ings, as did representatives of national and state
Baptist agencies. One of Springfield's most im-
portant office buildings, it is located at 3086 Stevenson Drive
near the Capital City Shopping Center.

The tri-fold plan is expressed in panels of ex-
posed brown aggregate concrete, with solar grey
glass and anodized aluminum gently curving into
three main facades. The state association moved
its office from Carbondale to Springfield early this
fall. Nine hundred Illinois churches are affiliated
with the association, with a membership of 190,000.

Fleming presented awards:
Den One, bobcat pins, David
Carnahan, David Clausen,
James Clausen, Leslie Kee
and Clinton Porter; assist-
ant, Kevin Brooks; dinner,
Wayne Ebersolt; beer silver
arrow, Kenneth Brooks; and
wolf gold and silver arrow,
Grant Thompson.

Den Two, Jerry Halbrook,
denner stripe, and Randy At-
kins, assistant denner.

Den Three, Bobby Lovins,
wolf badge and gold arrow.

Webelos awards, two-year
perfect attendance bar, Bruce
Monahan, and one-year perfect
attendance pins, Mike Painter,
Tim McElroy and Billy Winter.

Cubs with birthdays in Octo-
ber and November were recog-
nized and all joined in singing
"Happy Birthday." Monahan
announced that the committee
will meet Dec. 7 at 7 p.m., and
the next pack meeting will be
Monday, Dec. 13. Commis-
sioner's Scram reported on cub lead-
er roundtable meetings.

Doughnuts and cider were
served by mothers of Den
three cubs, Mesdames Mary
Ann Roe, Laura Lombardi,
Procy Wiggins, Donna Fisher,
and Stanley Schneider and
the leaders, Mrs. Bischof and
Mrs. Lovins.

APPRECIATION DINNER
AT TRINITY METHODIST
A pot luck dinner was held
at Trinity Methodist Church last
week to express appreciation
to church workers and Sunday
school teachers for their ser-
vices. Each class was recognized
and the honorees were presen-
ted with corsages.

Those honored were Mes-
dames Wanda Ruffert, Edna
Jones, Kitty Voss, Mary Lee
Herman, Frances Holt, Joyce
Harris, Lois Wylie, Nellie Her-
man, Carol Davis, Carmen Grider,
Jackie Dillard, Maureen
Cochran, Joan Murphy, Minnie
Dillard, Maudie Talley, Lorraine
Fogle and Mae Lee, Miss Nelda
Lancaster and Gil Roffel.
Charles Herman, Jim Dillard,
Martin Love, Bill Metcalf, Dar-
rell Talley and the Rev. and
Mrs. Ellis Dugger.

The youth of the church were
in complete charge of the pro-
gram, which featured singing
and a "judge and jury" hearing
that found the teacher "guilty
of excellent service."

"Five Nights for God" activi-
ties Nov. 14-18 were discussed.
